**2nd Quarter Taxes due May 1, 2007**

Tax Collector Conchita C. Parker announced that taxes will be received Saturday morning, April 28th from 9 a.m. to noon for the 2nd quarter taxes which are due May 1st at the Tax Office located at the Municipal Complex, 320 Boulevard.

This arrangement follows the custom established many years ago in the Borough for the convenience of the taxpayers in meeting the quarterly payment due. For additional information call 201-288-1152. ###

**Hasbrouck Heights School Board & Budget Election is scheduled for April 17, 2007 2 p.m. to 9 p.m.**

The Junior Woman's Club of Hasbrouck Heights is sponsoring "Brunch with the Bunny" on Saturday, March 31st from 11:00 a.m. to 1:00 p.m. at the Municipal Complex.

**St. John's Annual Plant Sale & Flea Market**

Mark your calendars!! Spring is just around the corner and it is time to start planning our gardens.

This year, St. John's plant sale will be held on Saturday, April 28th from 10 a.m. to 3 p.m. on the lawn. As in previous years, all our plants are hand picked at the nursery by our experienced gardeners.

Flowering plants, hanging pots, and vegetable plants will be offered for sale. Pre-order forms are available by calling Gale at 201-288-0002 and leaving a message. All plants are reasonably priced and of the highest quality. ###

**Hasbrouck Heights Little League Opening Day April 14 at 9:00 a.m.**

The Lion's Club annual fireworks have been tentatively scheduled for September 8, 2007.

**For a complete listing of all Hasbrouck Heights Church activities for Holy Week, go to page 23.**

## The Energy Corner

**Should you upgrade your equipment?**

- The potential savings for upgrading equipment are impressive.
- Replace a non-flame retention burner with a new flame retention burner and save about 15% on the cost of heating a building.
  - Replace an old flame retention burner with a new flame retention burner and save up to 10% on oil and the electric cost of running the burner.
  - Replace a boiler or furnace and save from 20% to as high as 30% or sometimes more on the cost of heating the building.
  - Replace a tankless coil boiler with a tank-type indirect water heater and cold start boiler combination and you save an additional 5% to 10% and have much more hot water, and no more coil cleaning.

*Call for a FREE analysis of your heating system. See if upgrading your equipment is right for you. There is no cost or obligation.*

Call John Depken if you have any questions that you would like answered in this column

# Understanding Home Mortgages

There are many, many different types of mortgages. The two most common types of mortgages are fixed rate and adjustable rate (ARM).

## Fixed Rate Mortgage

With a fixed rate mortgage your interest rate is set prior to closing on your home and does not change for the entire term of the loan.

### Pros of Fixed Rate Mortgages:

- You know what your monthly payment amount will be and it will not change.

- No worries about interest rate hikes that will raise your amounts.

### Cons of Fixed Rate Mortgages:

- Initial interest rate is higher than an adjustable rate mortgage.

- If interest rates decline, it will not lower your payments.

- If the interest rates decline significantly, you can refinance your mortgage to take advantage of the lower interest rate.

Refinance charges will be incurred, so the interest rate drop must be able to justify these costs.

Remember that a mortgage is an expense that will be with you for a long time.

Therefore, it's prudent to see which one will give you the best deal. Remember that a few dollars a month will really add up over 15 or 30 years.

## Adjustable Rate Mortgage (ARM)

With an adjustable rate mortgage the interest rate will vary throughout the term of the loan. How often the rate changes depends upon the adjustment period of the loan.

### Pros of Adjustable Rate Mortgages:

- Adjustable rate mortgages are initially priced at lower mortgage rates than fixed interest rate mortgages, resulting in a lower initial payment.

- Adjustable rate mortgages generally have a rate increase cap (*a cap is a maximum*) per year and lifetime cap on the interest rate. It may be better to use an ARM when rates are up high, and they are less advanta-

geous when rates are low.

- If you plan to be in a house for only 3-5 years, an ARM allows you to pay lower monthly payments for those 3-5 years than a fixed rate mortgage.

- If interest rates drop, an ARM provides a way to participate in these lower rates without having to refinance your house. This can save you closing costs.

- The adjustable period is key to the loan. How often they adjust the payment is important because you want the longest adjustable period. Most decent ARMs have an adjustment period of one year, so your monthly payments remain the same for a year, then increase or decrease the next year.

### Cons of Adjustable Rate Mortgages:

- Interest rate hikes will increase the amount of your payments.

- If you have a cap over 2%,

your monthly payments can go up significantly.

- Catch up clauses can come out of nowhere. If the cap was 3% and the rate rose 5%, the loan provider can invoke a "catch up" clause the following year, which will significantly increase your monthly payments.

- Avoid adjustable rate mortgages with negative amortization!

- Be very wary of the word "discount" when looking at ARMs as this means the loan will most likely have a shorter adjustment period which will lead to higher costs in the long run.

Just like fixed rate mortgages you should shop around for the best deal if you are interested in an adjustable rate mortgage. When you compare quotes make sure to pay close attention to the caps and other details that are unique to adjustable rate mortgages. ###

A minimum 5% down payment is required on all loans secured by one to four family owner occupied dwellings. Loan amounts available up to \$1,000,000 at the above rates. Loans in excess of \$1,000,000 also available. Mortgage loans with down payments of less than 20% will require Private Mortgage Insurance and therefore will have higher Annual Percentage Rates (APRs) and monthly payments than those shown. All Adjustable Rate Mortgage (ARM) loans have a 2% annual and 6% lifetime caps. The interest rate on ARM loans may increase or decrease during the term of the loan. Rates are subject to change without notice. \*Rate reduction for first time homebuyers available for properties located in Bergen, Morris, Passaic, Hudson, Middlesex, Monmouth, Ocean or Union counties. Other restrictions may apply, please call for complete details. Not responsible for typographical errors.

# Police Chief Warns of Scams

Hasbrouck Heights Police Chief Michael Colaneri reminds residents that as spring approaches, residents should be aware of warm weather scams.

Questionable people usually prey upon senior citizens and people living alone because they would rather deal with a lone decision maker.

With no one to confer with, it makes it easier for them to weave their web of deception.

The Chief said, "They prey on senior citizens because they have the time, they're home, and they're mellow in their older age. They try to see the good in everybody."

People should be suspicious of unsolicited work offers. "The day of door-to-door salesmen is over," the Chief said

"If you've got somebody going door to door for house repairs, the chance is good that it's some kind of scam."

They say they are doing the house down the street and offer a discount.

Sometimes they will try to

scare their prospects by bringing up dangerous situations that must be corrected immediately, but most often, nothing is wrong or minor repairs would be needed.

One of the more common scams is to knock on the door and tell the homeowner that they do roofing, and when passing by they noticed that the roof is badly damaged.

They explain how the home is being damaged even before leaks become visible.

They use high pressure, aggressive tactics and convince the homeowner that the roof needs immediate attention.

They ask for cash and say they will need to get some supplies and be right back. That's the last you will see them or your money.

Always remember to use common sense and think about it for a minute. How can these strangers show up and tell you about a serious problem that you are unaware of?

In another variation of this scam, workers will begin a home repair job such as repaving a driveway, take the deposit, and never return to finish the work.

The bogus contractor will begin the job and tell the resident that the damage was worse than originally estimated, so he

or she will have to pay more money.

The best way to avoid becoming a victim of a home repair scam is not to allow people to do repairs unsolicited.

On some occasions scammers have been known to work in tandem, gaining access into the home on the pretense of using the bathroom. While one of them has the attention of the homeowner, one of the other men or women will quickly search for cash and valuables to steal.

Never let any of these people in your home under any circumstances.

The Chief said, "Most people are inherently good. Most businesses are legitimate and provide good services at fair prices.

However, the consumer should be suspicious of any cold call or visit to your door without an appointment.

Anyone coming to your door should be able to identify themselves with proper I.D., company uniform or commercial vehicle (*it is required to be lettered with the name and base town of the company*).

Most importantly, do not be pressured by anyone. Follow your instincts; if you are uneasy, lock your door and call a neighbor or the police."

If senior citizens ever suspect a problem, the most important thing to do is call the police at 201-288-1000.

"If they feel that they have been scammed, there's a good chance that they're not the first one and we need to know about it," Chief Colaneri said. "The more reports we have, the better chance we have of catching them." ###

### Daisy Troop Visits Xcel Tae Kwon Do Center

On March 5th, a Daisy Troop, led by Mrs. Minicello, spent an afternoon at **Xcel Tae Kwon Do Center** in Hasbrouck Heights. The girls had a great time learning how to be strong and confident all while having lots of fun.

The instructor, Master Steven Lee, stated how impressed

he was of the girls' attitude and behavior. The lesson was capped off with a great taekwon do demonstration from Courtney Summers and Mia Minicello, who are both Daisy Troop members and current Xcel Tae Kwon Do students. *Photo provided by Xcel Tae Kwon Do. ###*

## HH Little League Pancake Breakfast

The HH Little League will hold its 12th Annual Pancake Breakfast on Sunday, April 15th, from 7 a.m. to noon at the VFW Hall on Veterans Place.

The menu includes pancakes, bacon, sweet rolls, bagels, juice, milk and coffee.

This event usually serves about 1,500 breakfasts.

Admission is -- adult \$5, child \$3 and under 4 free.

The Chinese style sports memorabilia auction will follow from noon to 1 p.m.

Winners do not have to be present at the time of the drawing to win.

Proceeds will be used towards building an indoor practice/training facility. ###

### HH Little League Field Clean Up

The Hasbrouck Heights Little League reminds parents that the annual field clean up and maintenance is scheduled from 7 a.m. to noon on Saturday, April 7.

Bring a rake. Continental breakfast provided. ###

### HHPD Offers Tips for Bicycle Safety

The Hasbrouck Heights Police Department offers these tips for safe bicycling;

- Always wear an approved bicycle helmet
- Obey all traffic laws
- Ride on the right
- Ride single file
- Ride with traffic
- Make sure your bicycle is in good working order. Be sure to check tires, brakes, chains, lights and reflectors
- Ride within your ability
- Avoid busy streets
- Do not attempt stunts or tricks
- Do not hitch rides by holding on to moving vehicles
- Do not weave in and out of traffic or between cars
- Do not ride against the flow of traffic
- Do not ride at night without the proper light equipment ###

### Helmet Law

All juveniles 17 and under are required to wear a helmet while riding a bicycle (or a passenger on a bicycle). All helmets must be properly fastened and fitted. ###

## 5K Run/1 Mile Walk April 15

On April 15, 2007 the Hasbrouck Heights Education Association will sponsor its Ninth annual five kilometer and one mile run/walk to raise money for their scholarship fund.

The 5k run is called the Rau-Fitzgerald Memorial Run and the 1 mile walk is the Cheryl Terlemezian 1 Mile Fun Run/Walk.

The event begins at the Hasbrouck Heights High School at 365 Boulevard. Check-in starts at 8:00 a.m. The 5k Run/Walk starts at 9:30 a.m. The 1 mile Walk/Run starts at 10:30 a.m. Awards will be held at 10:15 a.m. for the 5k and 10:30 a.m. for the Kiddy Races.

Registration is \$20, children under 18 for 5K \$10 and 1 mile \$5, Kiddy Race is \$5. There is a \$50 family rate.

Amenities include: "T" shirt, timing system, awards, post-race refreshments, restrooms and parking.

This event is to benefit Hasbrouck Heights students. Corporate sponsorships and donations are welcomed.

For more information call Barbara at 201-288-1426 or email: Babsbiz@optonline.net ###

### Ride Smart Get a Treat

The Hasbrouck Heights Police Department will reward juveniles found to be practicing bicycle safety.

On a daily basis, Patrol Officers who encounter juveniles properly adhering to bicycle safety, will reward them with a gift certificate to Lovey's Pizzeria or Clyde's Ice Cream Shop. In addition, a letter of acknowledgement for practicing bicycle safety will be sent to the parents.

## Xcel Tae Kwon Do Team Wins Four 7-foot Trophies

The annual Friendship Tae Kwon Do Championships were held on March 11, 2007 at Clifton High School.

This tournament brings together the best athletes from the tri-state area for a day full of great martial arts competition.

**Xcel Tae Kwon Do Center** in Hasbrouck Heights sent a team of students focused on testing their skills against their challengers.

The team was comprised of Kelly Kramer, Leonadra Tino, Susan Skeahan, Lisa Rose McCabe, Angel Gaetan, John Maimone, Jessica Amico, Julie Sheridan and Valentina Glavan.

Their coach was Master Steven Lee, the head instructor of **Xcel Tae Kwon Do Center** and a former US National Tae Kwon Do Team Captain.

The team prepared themselves with great diligence and

focus, which was evident as they placed top three in every event they entered. By the end of the day the **Xcel Tae Kwon Do** team brought home four 1st place, seven 2nd place and six 3rd place prizes.

These outstanding results were impressive enough to award Master Lee the title of "Coach of the Year" by the tournament committee.

Master Lee stated, "I am very proud of all the trophies, but I was more proud of the way my students carried themselves during the competition. Yes, it was a competition, but being martial artists first, it was important to show great respect, win or lose."

The tournament team's next competition will be the New Jersey State Tae Kwon Do Championships. *Story by Steven Lee. ###*

## HHPD Runs for Special Olympics

On June 1, 2007, the Hasbrouck Heights Police Department will join 2,700 officers in the 24th Annual Law Enforcement Torch Run to benefit Special Olympics New Jersey.

The Department will receive the Torch from the Lodi PD at about 9:30 a.m., run down Williams Avenue to Shop-Rite for a brief ceremony, then proceed back to the The Boulevard, and run from Williams to Lincoln Avenue (about 2.4 miles) where they transfer the Torch to the Wood-Ridge PD.

During the run along The Boulevard, children from Lincoln, Corpus Christi and Euclid Schools cheer and high-five our Department.

This celebrated 27-leg journey carries the Special Olympics New Jersey "Flame of Hope" a distance of nearly 900 miles throughout the Garden State to the College of New Jersey, Ewing, where it ignites the cauldron for the Opening Ceremonies.

This program helps provide 15,000 children and adults with intellectual disabilities the opportunity to train and compete, free-of-charge, in 22 Olympic-

type sports, year round.

Special Olympics New Jersey helps participants develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families and other Special Olympics athletes.

Last year the HHPD ranked 4th in the state, raising \$26,000.

The Department's fund raising efforts began on January 12, 2007, when they held their annual beefsteak dinner at the VFW, raising \$11,000.

Additionally, the Department accepts donations from the community. Please send a check or MO to HHPD, 248 Hamilton Avenue, Hasbrouck Heights, NJ 07604 and note "Torch Run Sponsorship."

Donations are tax deductible to the extent allowed by law. Sponsors donating over \$100 are recognized in the 2007-2008 Torch Run Journal.

One hundred percent of the funds generated by the Department go to the Special Olympics New Jersey.

For more information, call 201-288-1000. ###

## Hasbrouck Heights U-11 Dynamite Opens Their Spring Season

The Hasbrouck Heights Aviators U-11 Dynamite Girls Soccer Team was scheduled to open their nine game Northern Counties Soccer Association spring season on March 25.

The team, under head coach, Ed Gumbrecht, is trying to build on last fall's successful campaign, which included their first entry in the Parsippany Pride multi-state soccer tournament.

### Last Season's Recap

The Dynamite finished the season in a three-way tie for third place, with a league record of 3 wins, 3 losses and 1 tie. The girls were awarded third place in the league on the basis of the second tie-breaker, least goals allowed. They were the only Aviator team to be presented trophies.

After two seasons together, the team moved from a short-sided field with eight players on each team to a full-sized soccer field, playing 11 on 11.

The change seemed to elevate the play of each member of the squad, as they scored more goals than they gave up for the first time.

The offense was led by forwards Grace DeQuinzio,

Maggie Filja, and Melanie Gumbrecht. Midfielders Kristen Delcalzo, Carolyn Livechi, Jamie Sardo, Joelle Tondi and Alessandra Zonzoni also aided in the improvement, covering the middle of the larger field like a blanket, and contributing on both the offensive and defensive ends.

The Dynamites played very strong defense. Carolyn Clites, Emily Condal, Jamie Matson, Emily Menendez, sweeper Jenna DiGiacinto, and goalkeeper Casey Sardo kept even the most high-powered offenses at bay. The undefeated Glen Rock Shooting Stars scored 26 goals in their seven games. Against the Dynamite, they were limited to a single second half goal in an outstanding match that ended 1-0.

The girls participated in their first Parsippany Pride Columbus Day Tournament. The Friday evening opener was a disappointing 5-1 loss to the North Caldwell Galaxy. The girls showed tremendous character, playing nine on eleven.

The goals scored by North Caldwell were the only ones given up by the Dynamite in the tournament, as goalkeeper Casey Sardo and the Hasbrouck

Heights defense were amazing in 2-0 shutout victories over the Northern Valley and Long Valley United Soccer Clubs. Although they didn't win the division, the girls played some of their best soccer of the season. ###

## HH Soccer Registration

Hasbrouck Heights Soccer Association's fall season registration, was held Tuesday, March 27th and Wednesday, March 28th in the Municipal Building Senior Center from 6:30 p.m. to 8:30 p.m. But you can still sign your child up!!!!

All children born before December 31st, 2002 are eligible to play.

As in past years, if your child is participating in another sport or activity and would also like to play soccer, accommodations will be made.

Registration forms can be downloaded at [www.HHSoccer.com](http://www.HHSoccer.com) and must be accompanied with a copy of the child's birth certificate, payment, and a wallet size picture or they will not be accepted. ###

Overall scene from parking lot facing Hollister Road. The smoke was still pouring out, even after the bay doors were opened for venting.

Running hose from Engine 2 into the building for first attack.

HHFD Rescue Truck served as the command center where Zone II fire chiefs coordinated resources and tactics.

HHFD crew running hose to Lodi 616 from Engine 2 across a treacherous sheet of ice. The wind chill was one degree.

Reconfiguring hose from Engine 2 to feed Lodi 616 Foam Truck. Icy conditions made work difficult.

HHFD crew connecting hose to Lodi 616.

Lodi crew ready to enter building.

# Firefighters Work Under Brutal Conditions

In the grip of winter's extreme temperature of 17 degrees, with NNW winds at 17 mph, gusting to 25-35 mph, and a wind chill of one degree, South Bergen Zone II Mutual Aid Fire Departments worked a 2-alarm call at 200 Hollister Road in Teterboro for a smoke condition at 10:30 p.m. on March 5, 2007.

Hasbrouck Heights Fire Department provides Teterboro with fire and ambulance services.

Engine 2 was first on the scene and dropped a 5" hose at the entrance and proceeded about mid-way down the building's parking lot.

An area search was made to find working fire hydrants. Hydrant water was connected to the pumper.

Department members searched the 93,000 sq. ft. smoked-filled facility and determined that fire was hidden

below the manufacturing floor in a 4' x 4,' 200-foot long tunnel that housed a conveyor belt used to move raw material fibers.

Firefighters with full turnout gear and special tools used confined space techniques to search the tunnel for the fire from both ends in two-man teams.

Water was applied from a 2" hose, but the fibers floated and the fire was elusive. The tunnel had a build-up of fibers.

Lodi Foam Unit 616 was called to the scene. This dense foam smothers fires, prevents air from reaching the flammable materials, and lowers the heat of combustion by cooling action.

Connecting to HHFD Engine 2, the specially trained Lodi Foam Unit team entered the building and filled the tunnel with foam.

The fire was contained to the tunnel and did not appear to affect the building.

East Rutherford is the F.A.S.T team for Hasbrouck Heights. Due to weather conditions, the 2nd alarm company standby was used to relieve them. Venting was accomplished by opening the tractor-trailer dock door bays and letting the high winds clear the smoke.

Speedy Dry was applied throughout the scene due to icy conditions.

One Heights firefighter was injured and taken to HUMC.

The fire was deemed to be extinguished at 1:00 a.m. When the scene was secured, the 3rd alarm companies were released from fire headquarters. As soon as all HH units were packed up, the 2nd alarm units were released from the scene.

A 3rd alarm company was on standby at HH fire headquar-

ters for any other alarms that might occur while the Department was in Teterboro.

Meanwhile, Moonachie and Wood-Ridge engines, along with Little Ferry Ladder, checked a waterflow alarm at 100 Hollister. It was determined to be caused by the hydrant being used for the 200 Hollister Road fire.

The Teterboro DPW was notified of icy conditions at the working hydrants and United Water was notified of inoperable hydrants at 1:45 a.m.

Engine 2 was taken out of service because the water hoses were frozen. The hoses were taken back to the firehouse where they were thawed and repacked onto the engine the next day.

Mutual Aid towns participating included: Wood-Ridge, Lodi, East Rutherford, Moonachie and Little Ferry.

Zone II Coordinators, Tony

Gentile and Mark Tomko, were on the scene.

Chicago-based Smurfit-Stone operates the Teterboro Corrugated Container Plant, which manufactures combined board sheets, then prints and converts the combined board into shipping containers or other finished products.

According to a Record Business Section article on January 4, 2007, the company stopped production on December 28th and terminated all 22 salaried employees and 111 hourly-wage workers by January 13.

The company, which has 27,000 employees worldwide, will shift production to unspecified plants.

Seagis Property Group of West Conshohocken, PA owns the 10-acre property. The building has 20-foot ceilings, 11 tailgate dock doors and parking for 80 trailers. ###

## Full Pink Moon

The April full moon will appear on Monday, April 2, 2007, at 17:16. It is called the "Full Pink Moon."

According to the Farmer's Almanac, this name came from the herb moss pink, or wild ground phlox, which is one of the earliest widespread flowers of the spring.

Other names include the Full Sprouting Grass Moon, the Egg Moon, and, among Coastal tribes, the Full Fish Moon, because this was the time that the shad swam upstream to spawn.

The Native American Indians of the northern and eastern United States kept track of the seasons by giving a name to each recurring full moon. European settlers followed the custom. ###

## Rt. 46 & Huyler Car Accident

On February 28, 2007, at approximately 7:30 p.m., Hasbrouck Heights Rescue Truck and Ambulance responded to a single car motor vehicle accident at Huyler Street and Rt. 46.

The car struck and knocked down a traffic signal. The HHFD crew raised the light tower on the Rescue Truck, secured and stabilized the accident vehicle, and disconnected

the battery while EMS rendered assistance to the patient.

The Rescue crew assisted in taking the patient from the car to the ambulance. The patient was taken to HUMC.

Police on the scene were from South Hackensack and Moonachie.

The Rescue team helped the police and towing company with removing the traffic signal pole from Route 46. ###

Wood-Ridge firefighters inside flashover container.

## WRFD Takes Flashover Training

On Saturday, March 10, 2007, the Wood-Ridge Fire Department attended flashover training at the Bergen County Fire Academy in Mahwah, NJ.

a flashover are simulated for them to recognize the warning signs of an impending flashover. *Photo by T. A. Sullivan* ###

This training simulates the dangerous and sometimes deadly condition of a flashover in a fire, where the room on fire becomes superheated and the whole room and contents "flashes over" simultaneously.

During this training the firefighters are put into a container where the conditions of

# Heights Area Supports Our Troops' Families

On Saturday, March 3, 2007, Hasbrouck Heights Area residents conducted a food drive to benefit the Military Family's Assistance Center at the Teaneck Armory, located at 1799 Teaneck Road, Teaneck, NJ.

Donations were dropped off at the VFW Post 4591, 513 Veterans Place in Hasbrouck Heights between 9:00 a.m. and 3:00 p.m.

About 500 bags of food were donated to include canned goods, cereal, soup, pasta, canned meats, baby food and paper products.

The Center in Teaneck assists local military families who are finding it hard to make ends meet. Their spouse is deployed in Iraq, Afghanistan and other posts around the world.

Access to the food pantry requires showing a Military ID card.

Volunteers who collected food at the VFW and delivered the collection to the Teaneck Armory included members of VFW Post 4591, Hasbrouck Heights Fire Department, Bergen County O.E.M., Bergen County CERT based in Ridgfield, etc. The truck and driver were donated by Cohen's Trucking.

At the Teaneck Armory Family Assistance Center, SSG Joseph C. Collery organized the delivery, gave presentations to the organizers and spoke about the activities at the Center.

The event was organized by Heights residents Tim Moots and Tom Meli. ###

Some of the volunteers helping out at the VFW Post 4591.

Just a few of the many who made food donations.

SSG Joseph C. Collery starts to organize the food donations just delivered by Hasbrouck Heights area volunteers.

The staging area in the food bank was filled up and they then used the Armory Day Room for the food collected. SSG Collery thanked the volunteers who came to the Armory and also made presentations to the organizers.

With great pride, SSG Collery shared some of the activity highlights of the families using the Center.

## Corpus Christi School's Preview Day and Spring Concert Highlight April

By Sonya Buckman

April brings a hint of the end of the school year with the Corpus Christi School's Easter break taking place from April 4th to April 15th.

Parent/Teacher conferences are scheduled for April 18th from 1:00-3:00 p.m. and from 6:00-8:00 p.m. This is an opportunity that parents look forward to at this time of year in focusing their academic needs for the last quarter of the school year and beyond.

The final Preview Day and Open House for new families is scheduled for Thursday, April 19th from 9:00-11:00 a.m. and 1:00-2:00 p.m.. Personal tours of the school are provided and this is a terrific opportunity to see the school during a typical day.

April 20th is a "No School" day as the "Faculty Professional Day" will involve CPR certification.

The Spring Concert for the school choir, 6th, 7th and 8th Grades will be held on April 25th. This last concert of the year is a very touching one as it is the last one for the 8th Grade,

many of whom have performed for their family and friends for past 9 years while attending Corpus Christi School.

In conjunction with their studies of New Jersey history and government, the Fourth Grade will tour our state's capital on April 27th. This is a tradition at Corpus Christi and one that is looked forward to by the students all school year.

For more information about any of these events, including Preview Day, school tours and class availability, please call 201-288-0614. ###

Girl Scout Sunday was held at Corpus Christi Church on March 11, 2007. Photo by Sonya Buckman ###

## Friends Celebrate Chinese New Year

One hundred friends and family members of the Friends of the Library, met in the upper room at Taos Wok & Restaurant in East Rutherford to celebrate Chinese New Year.

The group had come to enjoy a special luncheon of various Chinese dishes that are usually served to welcome the New Year.

Some ate their meal with chop sticks; others used the standard everyday utensils they would use at home.

Library Director Mimi Hui greeted all and introduced members of the Board of Trustees who were present.

She greeted Councilwomen Carol Skiba and Maryetta Saccomano who were also in attendance.

Mimi also thanked the members of the Friends of the Library who planned the affair.

The meal consisted of appetizers which included swordfish dumplings, spicy wontons, sesame chicken, teriyaki beef steak and garlic shrimp.

The dishes sampled were whole crispy bronzini fish, beef & broccoli, General Taos Chicken, shrimp stir-fry, pan-fried noodles, house special rice and dessert. Everything was great.

At the end of the meal, Mee Lon Yee, a retired teacher and Mimi's cousin, presented a program about Chinese New Year.

She started by going over the Chinese Zodiac. There are twelve animal names used in

the zodiac. By this system, the animals are re-cycled every twelve years.

We have just ended the Year of the Dog and now have entered the Year of the Boar (pig). This is also called DingHai.

Those born in the Year of the Pig tend to have excellent manners, make and keep friends, work very hard and appreciate luxury. They are very loving and make loyal partners.

Chinese New Year is the longest and most important celebration in the Chinese calendar. It lasts fifteen days.

It falls on a different date each year, because it is based on a combination of lunar and solar movements.

This year, the first day of the Chinese New Year, the year 4705, was on February 18th.

This is the second time in three years that the Friends of the Library held a luncheon to celebrate Chinese New Year. *Story by Peter Gallo Jr. Photo provided by HH Library. ###*

## “Life and Love: Positive Strategies for Autistic Adults”

Author Zosia Zaks will be at the Free Public Library of Hasbrouck Heights on Tuesday evening, April 17 from 7 p.m. to 8:30 p.m. Zosia will talk about her book, “Life and Love: Positive Strategies for Autistic Adults” and what it’s like to be an Autistic adult. There will be a book signing and sale after the talk.

Zosia Zaks was diagnosed with Asperger Syndrome at age 31. Her book presents a guide for fellow adults with Asperger’s and high-functioning Autism drawn from the strategies she has devised to cope since her childhood.

This book is divided into two sections: life and love. In the life section, the author describes and suggests concrete ways to deal with some of the issues and problems faced by those on the Autism spectrum.

Examples include how to shop for necessities, health care, maintain a home, and manage a career.

In the love section, the author includes a broad spectrum of suggestions for different types of relationships and weaves these together with the core concept of self-esteem.

Midwest Book Review

said Zosia’s book is “an utterly invaluable guide for Autism spectrum adults to dealing with the large and small trials of ordinary life one day at a time.”

Despite Zosia Zaks’ accomplishments, including earning a master’s degree in technical journalism and holding a variety of writing and editing jobs, it was various vocational and social challenges that led to her diagnosis of Asperger Syndrome.

Now, with a clearer understanding of Autism and how it impacts her life, Zosia has managed to face these challenges with creative ideas and innovative compromises.

She now works as a heavy equipment operator in the International Union of Operating Engineers. This type of work allows her to go from project to project and is concrete in nature.

She provides encouragement and direction for everyone, including family members, dealing with Autism.

Please call the Library at 201-288-0488 for more details and to sign up or go online at <http://hasbrouckheights.bccls.org> ###

## BC Surrogate to Speak at Library

Michael Dressler, Surrogate of Bergen County, will be at the Free Public Library of Hasbrouck Heights on Tuesday evening, April 24, from 7:00 pm to 8:15 p.m.

He will discuss the importance of wills, administering of estates, living wills, powers of attorney, probate procedures, medical directives, guardianships, and estate planning. Anyone over the age of eighteen is encouraged to attend. This seminar is free of charge.

The Surrogate is an elected position and is responsible for policy and procedure of the Surrogate Court.

The Court’s responsibilities include: the probate of wills, administration of estates, issuance of guardianships, processing of adoptions, and investment and maintenance of funds invested on behalf of minors.

Most of us will have need of this information at some point in our lives. Essential facts are provided to help to insure that your assets and wishes, and those of your loved ones, are honored and properly managed.

Mr. Dressler has been Surrogate of Bergen County since 1997. He is an attorney, having held positions in sports and entertainment, real estate, and worked in Bergen County.

He has been a police commissioner, fire commissioner, mayor, and has held many other positions, reflecting commitment to public service.

Please call the Library at 201-288-0488 for more details and to sign up or go online at <http://hasbrouckheights.bccls.org> ###

## Free Health Consultation

The Hasbrouck Heights Health Department advises residents over 18 years old that free health consultations are scheduled to be held at the Municipal Complex Conference Room #1, on April 26th, 2007 from 10:00 a.m. until 1:00 p.m.

No appointment is necessary. Services include: health history evaluation, blood pressure measurements, height & weight measurements, individualized counseling and education, including referral and follow-up confidential consultation with a Public Health Nurse.

For information call, Laura French at 201-288-1636. ###

Many businesses along The Boulevard are open Thursday Evenings

# Brownie Troop 595 Tours

On March 10, 2007, Hasbrouck Heights Brownie Troop 595 toured the NJ Aviation Hall of Fame located at Teterboro Airport.

The tour was led by the Museum Director, Shea Oakley, whose informative talk was highlighted with unique stories and anecdotes about NJ aviation.

The tour began with a 9-

minute film about New Jersey aviation history which was introduced by the Museum's founder Pat Reilly.

The Brownies then entered "The Great Room" where they saw various piston and jet engines.

Next, Mr. Oakley explained about balloon flight. Each scout got into the balloon basket. This

is the same type basket that was used in the movie, "The Wizard of Oz."

The Brownies saw the world's first hovercraft. It was built in NJ during the 1950's by a Navy Lieutenant.

The ladies went upstairs to the mezzanine where Mr. Oakley, using "The Little Cut Up," explained how airplanes

maneuver in the sky with elevators, ailerons, etc.

Each scout had a chance to sit in the plane and use the controls.

The "Little Cut Up" was scrapped airplane parts that were assembled by the Teterboro School of Aeronautics. The plane is non-airworthy and used for exhibit.

They had a chance to see many models, including Newark Airport. Also, there was a military jet "ejection seat," that they sat in.

In another room the ladies saw exhibits on women in aviation.

The tour then went into "the back yard" where everyone, including parents, entered the

Each scout got into the balloon basket. This is the same type basket that was used in the movie, "The Wizard of Oz."

The world's first hovercraft was built in New Jersey during the 1950's by a Navy Lieutenant.

The 1950's Martin 202A was first exhibit since the mid-1980's.

"The Little Cut Up," illustrates how airplanes maneuver in the sky with elevators, ailerons, etc. Each scout had a chance to sit in the plane and use the controls.

The XLR99 engine by Reaction Motors, NJ, was built for the X-15

Old radar scope from the 1950's. The museum has many hands-on exhibits.

The museum has an extensive collection of models. The Brownies are viewing Newark Airport.

This engine, built by Reaction Motors, NJ, was used on the X-1 -- the world's first supersonic airplane.

One of the Brownies' little brothers enjoys sitting in the (non-operational) ejection seat used by military jet pilots.

Mr. Oakley explains the Wright Cyclone Engine used on the B-17 and built by Wright in Wood-Ridge.

The AHOF features a "Women in Aviation Room."

Several military vehicles are on a

# NJ Aviation Hall of Fame

1950's Martin 202A which was first used by TWA, then Allegheny Airlines. This aircraft has been on exhibit since the mid-1980's.

Next, Mr. Oakley explained all about helicopters, using a Cobra Gunship.

The scouts had a chance to explore the various outside displays.

About 6,000 visitors tour the Aviation Hall of Fame annually.

The AHOF offers tours for schools, seniors and civic groups.

They also offer "Dare-to-Fly," which is a comprehensive four-hour event designed for groups 8 to 15 years old. This

popular program introduces basic aerodynamic theory and is an opportunity to design and build balsa wood gliders and hold a flight competition.

In addition, the AHOF holds Open Cockpit Day where all aircraft cockpits are open to visitors. The next Open Cockpit Day is scheduled for April 7, 2007.

The Aviation Hall of Fame also hosts the Annual Hall of Fame Dinner. (See details on page 17 for the 34th dinner to be held at The Fiesta on May 23, 2007.)

In cooperation with the Port Authority, the AHOF sponsors the Wings & Wheels Expo.

The next Expo is scheduled

for September 15 -16, 2007. (See *The Gazette* September 2006 issue).

The Museum continually collects and restores aviation artifacts with connections to New Jersey.

For more information about the AHOF call 201-288-6344. ###

used by TWA, then Allegheny Airlines. This aircraft has been on

Lockheed Bush Master.

Cobra Gunship. The "teeth markings" are a tribute to the Flying Tigers of World War II.

Display.

# HHPD Gets "Livescan" Fingerprint System

(l-r) Det. Michael Colaneri Jr., Det. Sgt. Joseph Rinke, Chief Michael J. Colaneri, Captain John DeLorenzo

The Hasbrouck Heights Police Department has acquired an automatic "Livescan" fingerprint system that is online all the time.

The main console is located in the Police Department. A portable kit allows the Department to go to schools to conduct the child safety ID program (*see related story*).

Both the console and mobile unit cost \$25,000. \$20,000 came from confiscated drug funds and \$5,000 was donated by an anonymous Hasbrouck Heights resident.

## Inked Fingerprints

A known print is the intentional recording of the friction ridges, usually with black printer's ink rolled across a contrasting white background, typically a standard white fingerprint card.

With traditional ink fingerprinting, the Department had to create three fingerprint cards: Hasbrouck Heights Police Department, NJ State Police and FBI.

Inked cards sent to the NJ State Police and FBI could take 4-6 weeks for processing. If the fingerprints were unacceptable, the person had to be re-fingerprinted.

## Digital Fingerprints

Friction ridges can also be recorded digitally using a technique called livescan.

Livescan refers to the process of capturing fingerprints directly into a digitized format as opposed to traditional ink and paper methods.

Fingers from a hand are first electronically scanned at 1,000 dpi, followed by a scan of each finger.

Each scan verifies the quality of the fingerprint image immediately, allowing for a rescan if necessary.

Electronic fingerprinting established standardized data elements for the booking transaction that facilitates the sharing of information between participating agencies and supports the FBI's goal to move to electronic fingerprint submissions.

## Benefits

"Livescan systems allow the department to produce consistent high quality fingerprint images, thereby reducing rejection rates from the FBI, saving time and money in processing and in other related administrative costs," stated Police Chief Michael Colaneri.

The manual booking process often required the booking officer to take anywhere from 3 to 10 sets of fingerprints while the livescan fingerprint device only requires a single set of fingerprints that can print out any number of copies for record purposes.

Digital prints taken from a suspect can be processed and checked in a matter of hours instead of taking several days or weeks.

This reduces the chance of a police department prematurely releasing a dangerous criminal.

Livescan is integrated with the Hasbrouck Heights Police Department Records Bureau and about half of the police departments in Bergen County that have digital fingerprinting machines.

Livescan technology also integrates with multiple federal and state databases.

The electronic submission of fingerprints to the FBI reduces the identification response time from several weeks to less than two hours.

This process virtually eliminates the rejection of fingerprints by the FBI because of

poor quality that is associated with inked/paper fingerprint cards.

## Federal Bureau of Investigation

The Integrated Automated Fingerprint Identification System, more commonly known as IAFIS, is a national fingerprint and criminal history system maintained by the Federal Bureau of Investigation (FBI), Criminal Justice Information Services (CJIS) Division.

The IAFIS provides automated fingerprint search capabilities, latent searching capability, electronic image storage, and electronic exchange of fingerprints and responses, 24 hours a day, 365 days a year.

The IAFIS maintains the largest biometric database in the world, containing the fingerprints and corresponding criminal history information for more than 50 million subjects in the Criminal Master File in Clarksburg, WV.

Old paper fingerprint cards for the civil files are still manually maintained in a warehouse facility (rented shopping center space) in Fairmont, WV.

The fingerprints and corresponding criminal history information are submitted voluntarily by state, local, and federal law enforcement agencies.

All US states and many large cities have their own Automated Fingerprint Identification System (AFIS) databases, each with a subset of fingerprint records that is not stored in any other database. Thus, law enforcement fingerprint interface standards are very important to enable sharing records and reciprocal searches for identifying criminals

## NJ State Police

The NJ State Police Automated Fingerprint Identifica-

tion Unit classifies, searches, and verifies all criminal and noncriminal fingerprint card submissions.

Positive identification of arrested individuals is returned within two hours while the suspect is still in custody.

The master fingerprint file contains over 2 million fingerprint cards of which over 1 million are criminal arrests.

Since May, 1990, latent identifications utilizing AFIS were made in over 7,800 previously unsolved crimes which included 228 homicides.

Approximately 40 percent of all criminal fingerprint card submissions are being electronically forwarded to the State Bureau of Investigation via livescan technology.

The Automated Fingerprint Identification Unit is currently upgrading to Fully Integrated Fingerprint Identification System (FIFIS), which provides for the electronic transmission of fingerprint cards 24 hours a day from the point of booking, using livescan devices, to the State Bureau of Identification (SBI), thereby providing rapid identification while the suspect is still in custody.

At the end of the identification process, the suspect's criminal history record is automatically built and the fingerprint card is then electronically transmitted to the FBI's Integrated Automated Fingerprint System (IAFIS).

## About Fingerprints

On the palmar surface of the hands and feet are raised surfaces called friction ridges.

Friction ridges are formed during fetal development. Fingerprints are the result of minute ridges and valleys found on the hand of every person.

No two persons have exactly the same arrangement of ridge patterns, and the patterns remain unchanged throughout life. Even identical twins do not have the same fingerprints. Fingerprints offer an infallible means of personal identification.

There are three basic fingerprint patterns: arch, loop and whorl and many sub-classifications.

In Mark Twain's 1883 book, "Life on the Mississippi," a murderer was identified by the use of fingerprint identification.

Juan Vucetich made the first criminal fingerprint identification in 1892. He was able to identify Francis Rojas, a woman who murdered her two sons and cut her own throat in an attempt to place blame on another. Her bloody print was left on a door post, proving her identity as the murderer.

First systematic use of fingerprints in the U.S. was by the New York Civil Service Commission for testing. Dr. Henry P. DeForrest pioneered U.S. fingerprinting in 1902.

In 1903, the New York State Prison system began the first systematic use of fingerprints in the U.S. for criminals.

In 1905, the U.S. Army begins using fingerprints and the US Department of Justice forms the Bureau of Criminal Identification to provide a centralized reference collection of fingerprints.

In the early days of J. Edgar Hoover's directorship of the FBI, a long held goal of American law enforcement was achieved: the establishment of an Identification Division.

Tracking criminals by means of identification records has been considered a crucial tool of law enforcement since the 19th century, and matching fingerprints is considered the most accurate method.

By 1922, many large cities started their own fingerprint collections and by 1926, law enforcement agencies across the country began contributing fingerprint cards to the Bureau of Investigation.

By 1946, the FBI had processed 100 million fingerprint cards in manually maintained files; and by 1971, 200 million cards. ###

## Project Kid Care ID

Since the 1970's, the Hasbrouck Heights Police Department has conducted the Project Kid Care ID Program for all Corpus Christi, Euclid and Lincoln School 2nd Graders beginning in April and ending in June.

Each Kid Care Photo ID Kit includes a standardized head-and-shoulders ID photo, fingerprints, child's vital statistics, valuable emergency information, and the rules of safety. The kit also includes two wallet IDs.

These photo IDs are used for missing children.

Det. Sgt. Joseph Rinke emphasized, "Kits are kept by the family. The digital photo and fingerprints are purged after the session and are not saved on the system. If the ID is lost, the process must be repeated."

Captain John DeLorenzo said, "This digital system is cleaner than the inked fingerprints. Sometimes fingerprinting a fidgeting youngster was difficult. With this new digital ID program, the quality of each fingerprint is validated immediately." ###

## HHPD Reminds Drivers About School Traffic

At schools, Lt. Archer reminds drivers not to park in the yellow zones or double park -- especially during inclement weather, letting off or taking on passengers in moving traffic.

Do not park in designated drop off zones at dismissal time.

At Corpus Christi School, do not park in the Minit-Mart lot.

When dropping off or picking up students at the Jr./Sr. High School main entrance at The Boulevard, do not park in the yellow zone, at the bus stop or double park on The Boulevard.

At the LaSalle Avenue

entrance, no parking, dropping off or picking up students in the yellow zone where no parking or no standing signs are posted. This violation creates a hazard for students and impedes Boulevard/LaSalle traffic flow.

Use the specially designated drop off zone in the morning that is clearly marked by traffic cones from 7:30 a.m. to 8:30 a.m.

Paterson Avenue entrance, no double parking. No "K" turns to avoid Paterson/Boulevard intersection.

Drivers should exercise caution at these locations, especially during inclement weather and periods of sun glare. ###

## HHFD Annual Inspection May 12

The public is invited to attend The Hasbrouck Heights Fire Department Annual Inspection at 7:00 p.m. on Saturday, May 12, 2007.

Department personnel will be in full dress uniform. The equipment and fire headquarters will be presented for inspection.

Department personnel will be available to answer any questions.

The event is attended by local officials as well as Fire Chiefs from area towns. ###

## 2007 AHOF Inductees Announced

The New Jersey Aviation Hall of Fame announced the 2007 Inductees into the Aviation Hall of Fame. They include:

- John J. McNamara: An expert in aviation law and the 1st pilot and flight instructor ever certified in every category and class of aircraft.

- Colonel Joseph J. Sofet, USAF: USAF Air Force One Commander during the Kennedy and Johnson Administrations.

- Dr. Calvin J. Spann: Tuskegee Airman and WWII Combat Pilot.

- George V. Strickland: Aviation safety expert.

The new inductees will receive their bronze plaques at the 34th Annual Induction Dinner on May 23, 2007 at the Fiesta Ballroom in Wood-Ridge. The public is invited to attend.

The New Jersey Aviation Hall of Fame was founded in 1972 and was the first state aviation hall of fame in the nation.

Its goal is the preservation of the Garden State's 213 years of aviation and space heritage.

For more information please call 201-288-6344. ###

DPW carefully positioning the planters along The Boulevard, May of 2006.

## Boulevard in Bloom 2007

The Hasbrouck Heights Chamber of Commerce, in cooperation with the HH Garden Club, invites businesses and residents to sponsor a flower pot with planting to be placed along The Boulevard during 2007.

To launch this Boulevard beautification program, **Gateway Realtors, Otterstedt Insurance Agency and Heights Flower Shoppe** seeded this program by generously purchasing 36 flower pots in 2006. Additional flower pots were contributed by residents, with a total of 40 planters installed in 2006. This translated to about 3 planters per block, or 75% of The Boulevard.

The Garden Club says, "Let's Keep It Grrrowing!", by expanding this successful program in 2007 to include the remaining portions of The Boulevard."

They continued, "Here is an opportunity for you to have a direct and immediate impact in beautifying Hasbrouck Heights. This program adds visual interest and aesthetics to The Boulevard streetscape, while acting as a catalyst for further improvement."

They remind everyone that every penny that is donated

goes directly towards the purchase of flowers, plants, pots and materials.

The goal for 2007 is \$6,000, with about \$1,500 to replenish the 40 existing planters. The balance would expand the program along the Boulevard.

The basic planting work will be done by the Garden Club at the DPW on May 19, 2007.

Once the plantings have been completed, the DPW will then move the flower pots to their Boulevard location. They have agreed to water the plants along the Boulevard during the season. Merchants who have planters outside their door are encouraged to assist in watering, especially during the summer months.

After the summer, the DPW collects the flower pots and stores them for the winter.

Throughout the program, members of the Garden Club maintain the planters.

Cost is \$175 and includes the purchase of a fiberglass pot, soil, mulch and plantings.

Replenishing an existing planter with new, fresh flowers requires a donation of \$25.

\$600 can provide a whole Boulevard block with new planters -- with recognition

provided on the Major Sponsors Plaque in the Municipal Complex (next to the Tax Office.)

For more information, call the HH Garden Club: Elisabeth (201-288-4318), Ann (201-288-3956) or Maria at (201-288-3111). Or call the Chamber President, Ray Vorisek, at 201-288-5464.

Donations may be sent to: HH Chamber of Commerce, PO Box 1, Hasbrouck Heights, NJ 07604.

See photos of The Garden Club and DPW setting up the 2006 program at: *The Gazette*, June 2006, page 21.###

## Old Man Winter Has Made Up For Lost Time!

By Meteorologist  
Dan Ventola

Another snow and sleet event pelted Hasbrouck Heights and the Teterboro area on March 16 into March 17 (see picture of local DPW working hard as usual in these storms). I measured 5 inches of snow here in town but it was not JUST snow.

It was our second "tough" winter storm with quite a bit of sleet mixed in (we had other storms of purely snow besides these mentioned here). In fact, similar to the previous sleet storm, THIS storm had many hours of steady and sometimes heavy sleet falling.

The temperature started out at 39 degrees in Hasbrouck Heights shortly after midnight on the early morning of March 16. Rain had fallen intermittently from March 15 to March 16. Then, wet snow began to mix in by 1 a.m. to 3 a.m. early March 16 as the temperatures dropped on a stiff northerly wind.

By 3 a.m. to 6 a.m., snow was falling throughout the region with temperatures now below freezing! Icy paved surfaces quickly developed.

Periods of snow and sleet then continued well into the day on into the night-time hours.

201-288-1176

Serving the area for over 25 years

Snow and sleet ended between 3 a.m. and 5 a.m., early March 17.

Now, this 5" snow event has increased our winter total to nearly 20 inches. Our normal winter total in these parts is approximately 27 inches... so, we are getting there.

Something we thought we would NEVER do during the "oh so mild" months of December and January!

Getting back to snow events, March, and even April, are months not uncommon to snow storms. In the "Blizzard of 1888," we had 31" of snow here.

Some of the more recent March snow events were 18" in 1967, 19" in 1960 and 16" in 1958. Will it snow in April you ask me?

Yes, I think it will. However, it's impossible at this juncture to say if we will get anything to write home about. The odds are against it.

However, previous Aprils boast snow amounts of 14" back in 1875 but a more recent April "snow event" was just 3 years ago, on April 7. We had 4" right here in Hasbrouck Heights.

The near terms weather maps show me that we will warm up for the last week of March into the first few days of April... hopefully, that won't be an April Fools' joke.

## FOCAS Flea Market

FOCAS (Friends of the Bergen County Animal Shelter) will hold its first flea market for 2007 on Saturday, April 28th from 10:00 a.m. to 4:00 p.m. and Sunday, April 29th from 10:00 a.m. to 3:00 p.m.

The Flea Market is held at The American Legion, 100 Liberty Street, Little Ferry.

Come and browse for yourself. An assortment of refreshments, including a variety of delicious home-baked treats, will be available.

Flea market merchandise donations are gratefully accepted. They may be dropped off at the American Legion on Friday, April 27th from 4:00 p.m. to 7:00 p.m. and all day Saturday. Clothing, books, exercise equipment or luggage are not accepted. ###

## Household Hazardous Waste

Bergen County Utilities Authority (BCUA) will collect household hazardous waste on Saturday, April 21, 2007 from 9:00 a.m. to 3:00 p.m. at the BCUA (foot of Empire Boulevard) in Moonachie -- rain or shine. This service is free of charge for Bergen County residents -- ID is required.

A partial list of acceptable materials for collections include: aerosol cans, anti-freeze, batteries, blacktop sealers, disinfectants, fertilizer, fire extinguishers, herbicides, insecticides, mercury switches, paints, pesticides, propane gas cylinders (1 lb. & 20 lb. only), solvents & thinners, used motor oil, varnishes.

A partial list of unacceptable materials includes: unlabeled wastes or containers with unknown contents, regulated medical wastes, radioactive materials and explosives, containers larger than five gallons, compressed cylinders (oxygen or acetylene), pressure treated lumber or railroad ties, computers, electronics and tires.

For detailed information log onto [www.bcua.org](http://www.bcua.org) or call 201-807-5825.

(Businesses must pre-register prior to attending BCUA sponsored collection events. A disposal fee will be charged and collected. Call 201-807-8696 for details.) ###

## “Suzie’s Ques”

Practical Tips for a Healthier You

Simple Words of Kindness Can Go a Long Way!

- “You are terrific”
- “Great job”
- “You’re special”
- “You’re #1”
- “Way to go”
- “Great effort”
- “I knew you could do it”
- “You’re awesome”
- “Chin up”
- “You mean a lot to me”
- “You are a valued member of the team”

I wonder how often we stop to give praise to those closest to us. It seems people have little time and more pressures of life to keep moving and being responsible to our employers and jobs.

Simple words of kindness can go a long way. I have found the friendlier and more positive I am, the friendlier people respond in kind, back. I do believe in the phrase “You get what you give, and you give what you get.”

Adults need to hear words of kindness and to be validated for a job well done.

My sons recently told me that they are proud of me for staying my course of wellness. “You look great, Mom!”

All that hard work is paying off. I told my sons how wonderful their kind words made me feel.

Wouldn’t it be nice to hear kind words more often from others?

If we model sincerity and kindness, chances are we can get some of that back in return. Good character and kindness begin at home.

I was reading through my teacher curriculum and came across a wonderful lesson. It

talked about giving praise as a way to positively reinforce good behaviors.

Like Pavlov’s dog, each time the bell rang, the dog would get a treat and be positively reinforced for his good behavior. The dog was also patted on his head and praised as a way to let the dog know that he acted appropriately and made the “right” choice. This experiment was effective in showing that positive praise is actually more important than punishment for wrong-doings.

Of course, it is important to receive a paycheck for doing your job. However, studies show, that people happiest on the job are those who are respected and praised often for a job well done. That “pat on the back” can lift the spirits of employees and create an atmosphere of job commitment (*American Journal of Psychology*).

So remember, praise and validation can go a long way towards creating loyalty and commitment from others at home, at school, and on the job.

It works if you work it! See you next month!

## Board of Health Food Guidelines for Take-Out and Delivered Foods

In today’s busy world, take-out and delivered foods are experiencing runaway popularity.

Some foods are hot and some are cold when purchased. Foods from fast food restaurants are most often consumed immediately.

Take-out foods may be purchased in advance for eating at a later time, such as a party platter or a cooked holiday meal.

No matter what the occasion, more and more people are relying on others to prepare their food.

The Board of Health recommends to keep hot food safe, keep them at 135°F or above. Cold foods must be kept at 41°F or below. Bacteria can grow rapidly between 41°F and 135°F.

Discard all perishable foods such as meat, poultry, eggs, and casseroles, left at room temperature longer than 2 hours; 1 hour in air temperatures above 90°F.

This includes leftovers taken home from restaurants. Use a food thermometer to monitor the internal temperature of the food.

A preheated oven, chafing dishes, preheated warming trays, or slow cookers may be used.

If you plan to eat at a later

time, take-out or delivered food should be divided into smaller portions or pieces, placed in shallow containers, and refrigerated.

When storing leftovers, your refrigerator should be at 40°F or below.

Cooked meat, poultry or pizza can keep for 3 to 4 days. Luncheon meats, eggs, tuna and macaroni salads should be kept for only 3 to 5 days.

Foods stored longer may begin to spoil or become unsafe to eat. Do not taste leftovers if kept longer than the appropriate time. Your refrigerator should be checked to make sure it is keeping all foods at 41°F or below.

To do so, a thermometer should be kept in the warmest part of the refrigerator and should read between 36 & 38°F. ###

## Heights Seniors Meet, Have Fun and Make Plans

Eighty-seven members of the Leisure Club attended the last meeting of the club.

They were entertained by the music and performance of Don Anthony. He performed on the keyboard, guitar and banjo. Mr. Anthony played, sang and strutted around the room dispatching tidbits about old Hasbrouck Heights. His routine was well received.

Information was distributed about the day trip to the Hunterdon Hills Playhouse on April 19th for dinner and show, "Catch Me, If You Can," a day trip to The Brownstone on May 23rd for dinner and to see the performance of "Shake, Rattle and Roll," and a five day, four night trip to Montreal and Quebec City scheduled from September 18th to the 22nd.

A letter was received from the Key Club inviting members

to be students for a day at the High School.

Leisure Club members will arrive at the school on Thursday, April 12th between 8:00 a.m. and 9:00 a.m. They will meet in the Media Center where a light breakfast will be served.

Immediately following, each Leisure Club member will be assigned to a Key Club member and will shadow that student throughout the morning, attending and participating in their classes and other activities.

At the end of the fifth period, which is around noon, all will meet back in the Media Center for lunch and some entertainment.

Because the number of Key Club members is limited, only the first fifty seniors who sign up in advance can participate.

Remember, there will be a lot of walking, so if you are not able to keep up with the students, you should not sign up. The sign up sheet is in the senior center.

The refreshments for the meeting were Pizza, provided by the Costa Family, and Irish Soda Bread, compliments of the Junior Women's Club. *Story by Peter Gallo Jr. ###*

## AARP Enjoys Banjo Rascals

At the last meeting of the Central Bergen Chapter AARP 418, the members were entertained by the Banjo Rascals.

The group not only played some great Irish music but also gave the members the opportunity to sing along with other familiar songs.

The Banjo Rascals have been in existence since 1968. Three members of the group entertained the AARP guests and members; however, the Rascals could provide as much as a 10 piece orchestra, if desired.

Their music ranges from 1890's Ragtime to 1950's and 60's rock-n-roll. All the members of the AARP who attended felt that the Rascals' unique musical style and their performance were great.

AARP President Michael Cahill announced that the April 13th meeting will present "Unlacing the Victorian Woman." *(See story on this page.)*

A trip to Doolan's at Spring Lake is scheduled for Thursday, May 31st. The price of the ticket is \$60 for members and \$62 for non-members.

The price includes transportation, one hour open bar, lunch, and entertainment.

The show is "A USA Stars & Stripes Extravaganza."

More information can be obtained from Julia, 201-288-1693.

The members of this AARP Chapter come from Hackensack, Hasbrouck Heights, Maywood, Rochelle Park, Little Ferry and South Hackensack. New members are always welcomed. *Story and photo by Peter Gallo Jr. ###*

## Unlacing the Victorian Woman

AARP Chapter 418 presents, "Unlacing the Victorian Woman," performed by Barbara Meyer Darlin.

When a Victorian woman said she would dress for dinner or an evening at the theater, it may well have been her fourth change of clothes that day!

And did you ever wonder what they wore under those fancy, cumbersome dresses?

Come to the April 13, 2007 meeting of AARP Chapter 418 at the M&M Building at 116 Holt Street in Hackensack and find out as Ms. Darlin demonstrates the intricacies of these styles in a one-woman fashion show.

Throughout the program Ms. Darlin explains a woman's role in Victorian society, her daily routines, and social customs and etiquette of the era.

Ms. Darlin, a member of The Costume Society of America, has given this presentation at many museums and colleges on the East Coast as well as appearing at Cape May's Victorian Festivals.

She has a background as a successful fashion designer and designer of stage costumes.

This presentation of "Unlacing The Victorian Woman," is sponsored by The New Jersey Council for the Humanities and is open to everyone.

There is no fee. We look forward to seeing everyone at this performance. *Story by Peter Gallo Jr. ###*

The Leisure Club welcomes all Hasbrouck Heights Senior Citizens, 60 years of age or older. Annual membership is \$12 per year

Representing each Hasbrouck Heights Church, these women organized and conducted the World Day of Prayer Service. (Center) The ñandutí is a symbol of unity within diversity.

## United Under God's Tent

On Friday, March 2nd, women representing every Church in Hasbrouck Heights, organized and conducted a World Day of Prayer (WDP) Service.

This year's annual ecumenical service was held at St. John The Divine Church at 1:00 p.m.

WDP is a worldwide ecumenical movement of women who come together to observe a common day of prayer.

Throughout the entire day, women (*men were also welcome*) collectively pray starting on the west side of the international dateline at sunrise and ending on the east side at sunset.

The prayers of people from 170 countries and regions follow the sun's path around the globe, with the first sunrise and ending at the last sunset.

Through WDP, women affirm their faith in Christ; share their hopes, fears, joys, sorrows, opportunities and needs, become more globally aware, become enriched by faith experiences of Christians from other countries and cultures; and become aware of their talents so as to use them in service to society.

The movement brings together women of various races, cultures and faith traditions in closer fellowship, understanding and action throughout the year.

WDP's motto is "Informed prayer leads to prayerful action."

Through World Day of Prayer, women affirm that prayer and action are inseparable and that both have immeasurable influence in the world.

WDP reminds us that tens of thousands of people are crying out for aid because they have been made homeless by natural disasters and regional conflicts.

Participants are encouraged to think about actions one can take to further support the 2007 theme, which centers on

displaced families and refugees around the world, as well as in their community.

Each year the ecumenical prayer movement chooses the writers of a different country to set a theme and develop prayer guides for the annual event, held on the first Friday in March.

Through preparation and participation in the worship service, they can come to know how their sisters of other countries, languages and cultures understand the biblical passages in their context.

They can hear their concerns and needs and can feel themselves in solidarity with them.

In this way, it is possible to experience the richness of the Christian faith as it grows deeper and broader in an international ecumenical expression.

The theme this year was "United Under God's Tent" (*or mantle*), and was developed by a group of women from Paraguay.

The Paraguayan committee developed the theme "United Under God's Tent" as its theme and the ñandutí, a classic Paraguayan handcraft based on woven floral patterns connected by a single thread, as a symbol of that unity within diversity and is used by women of Paraguay for the prayer service.

It is a way of imagining how God acts. For Abraham and Sarah, God was like a mantle, protecting them in their call.

"United Under God's Tent" is not only God's promise to us, it is an unmistakable call to work and pray together for people in need all over the world.

### Heights Service

Those attending were invited to imagine the hills and valleys of Paraguay with its diversity of people and extravaganza of colors and listening to the Paraguayan harp. Picture the women weaving spider-web

The program began with three women forming a tent proceeding to the altar.

lace called ñandutí.

In the worship's prelude, the ñandutí (*lace table cloth*) is attached to a colored background suspended from a rustic wooden cross. Nine circles or squares cover the lace.

Three women came forward carrying a cloth and a pole. They formed the entrance of a tent by raising the cloth in the middle with the pole, and holding the ends at two sides.

Seven women spoke during the service. Each voice spoke a sentence about the women of Paraguay.

Their prayers, presented in sequence by each voice, were a call to worship, invocation, thanksgiving, confession and words of forgiveness, Bible readings, offering, dedication, intercession and concluded with the blessing and sending out.

After each woman spoke during the prayer of Thanksgiving, they placed a miniature ñandutí on the main one -- each symbolizing the uniqueness of each individual within the whole.

As each woman finished, she placed a mandala representing the unity of the whole, the ñandutí.

Throughout the service, several hymns and responses were sung. Several ladies responded in Spanish.

Light refreshments followed the service.

### Worldwide Themes

The World Day of Prayer liturgy was designed by the women of South Africa in 2006 and the women of Poland in 2005. Future worship themes include:

- 2008: "God's Wisdom Provides New Understanding" -- Guyana
- 2009: "In Christ, There Are Many Members, Yet One Body" -- Papua New Guinea
- 2010: "Let Everything That Has Breath Praise God" -- Cameroon
- 2011: "How May Loaves Have You?" -- Chile

The first organized World Day of Prayer held nationally in the United States was in 1920.

### About the Art of Paraguay

God has given us a rich land of many colors. In the art, the red earth predominates, speaking to us of passion and strength, like that of our people who have daily worked and struggled to fulfill their hopes and ideals.

On this earth there grows an abundance of plants and trees, sprouting with new life, bringing hope and reminding

us that positive change reaches toward the heavens.

The clear sky in shades of blue covers us all in its embrace.

In the center is the ñandutí, a creative symbol of two cultures—the European and the indigenous—where designs of nature unique to Paraguay are brought together using one thread, to create unity in diversity.

Over all is the quiet presence of God, as though it were a tent, constantly protecting us.

### About Ñandutí

Ñandutí (*niun-doo-tee*) is a Guaraní word - ñandu (*spider*) and tí (*the last part of morotí—white, pure*). In ñandutí, or spider-web lace, all threads are united at one point; there are no loose threads.

Ñandutí is woven in various designs and sizes, which implies diversity as well as unity.

To make the ñandutí, a cloth is stretched over a wooden frame; the frame serves as a support for the weaving.

It is very delicate handwork that requires concentration and patience; an error can damage all or part of the woven piece.

Once the ñandutí is removed from the base cloth, the weaving is starched to give it more body. ###

# The Jesus Story

The Bible Baptist Church will present the 18th Annual "The Jesus Story" at Felician College, 262 South Main Street, Lodi.

The 2007 schedule is Saturday, March 31st and Sunday, April 1st at 4:00 p.m. On Tuesday, April 3rd, Wednesday, April 4th, Thursday, April 5th and Good Friday, April 6th, at 8:00 p.m.

Free general admission seats require no ticket and are on a first come basis. Limited reserved tickets may be purchased by visiting the web-site [www.biblebaptist.net](http://www.biblebaptist.net) and following the prompts for The Jesus Story. You may also call 201-288-4139 X11.

Seventeen years ago, a small group of Christians presented a meager glimpse of the Passion of Christ through a Passion Play. Since that time the production outgrew the staging at the Church.

A cast and technical crew of over 100 committed Christian volunteers bring in crowds of over 8,000 annually -- through the collaboration of the Cultural & Community Affairs Division of Felician College.

"The Passion Play is a musical drama that has stirred the hearts of many and has changed people's lives forever. It crosses denominational barriers as it reveals the love God's only Son,

Jesus has for each any every one. It is our prayer that you will be encouraged to accept so great a love as our Heavenly Father has for us."

This year's rendition will tug at your heartstrings as the view presented will be through the lives of the women that surrounded Jesus. Beginning with the Angel Gabriel's announcement to a teenage peasant girl (the Virgin Mary), that she would give birth to the Son of God, to scenes with Mary and her older sister Salome.

As they follow Jesus through His ministry, you will catch a glimpse of Jesus' love and forgiveness with the woman at the well, and His many miracles, including the raising from the dead of a widow's only child.

You will hear songs like "I Don't Want To Go" and "Why?" as women who are so touched by His great compassion and mercy, don't want to be far from Him, and wonder why He would have to be crucified.

Long ago, even before He made the world, God loved us and chose to adopt us into His family by bringing us to Himself through the death of His Son on the cross. God sent His Son to earth and offered Him as a perfect sacrifice for our sins.

The Bible says that whoever believes this and accepts this will live forever with Him in Heaven. "Jesus is the only power in the world that has been given to save people. We must be saved through Him"- Acts 4:12.

"During this Easter Season, the high holy day of the Christian calendar, as you witness the dramatization of the life, death and resurrection of Jesus Christ, it is our desire that you will personally experience the great hope of all mankind, the unconditional love, and the life you can have here and for eternity." *Photos provided by Bible Baptist Church. ###*

## Give Peace a Chance

International Flutist and Peace Lecturer Pamela Whitman brings teachings and music from her weekly inspirational radio program "Miracle Revolution" to First United Methodist Church, April 12th at 8:00 p.m.

"In what was to be his last Sunday sermon, Martin Luther King Jr. spoke of 'remaining awake through a great revolution'.

"The Revolution of the New Millennium is a Revolution of Consciousness. The challenge at hand is to awaken." - Pamela Whitman

The presentation will include a discussion of the five peace principals of Satyagraha - the Gandhian system of nonviolent civil disobedience utilized by Gandhi to overcome the British rule of India.

Rev. Martin Luther King Jr. led the civil rights movement using this same method. Of Satyagraha, King wrote, "Christ furnished the spirit and motivation while Gandhi furnished the method."

The presentation includes live musical performances on Whitman's collection of flutes from around the world. Pamela performs world music from the Lakota Nation, Tibet and India.

An artist reception and refreshments will follow. The event is being sponsored by The United Methodist Women. ###

**Take Your Family To Church This Easter**

**Hasbrouck Heights  
Council of Churches**

**The Gift of Easter**

*By Rev. Dr. Karyn L. Wiseman, Pastor  
First United Methodist Church*

As I write this, we are in the middle of the Lenten Journey marching toward Palm Sunday, Holy Week, and Easter.

And as I write this, I am reminded of how the journey impacts us.

The profound journey throughout the 40 days of Lent can transform us in significant ways.

As we take on new spiritual practices, give up elements of our life sacrificially, practice acts of penitence and reconciliation, attending to study and prayer, reconcile ourselves with others and with God, and worship with our communities of faith – we are all coming into right relationship with the world in ways that make us ripe for the miraculous gift of the Resurrection.

But many in our culture see only the very barest of Easter traditions:

- Easter Egg rolls,
- Easter Egg hunts to find gifts left by the Easter Bunny,
- New shoes, bonnets, and dresses to wear,
- Baked Ham for Easter Lunch, and
- Holding Easter Sunrise Services.

In America, dyeing eggs and hunting for them started in the 1700s (*many attribute this practice as beginning with the Pennsylvania Dutch settlers*).

However, eggs were being decorated in England during the middle ages.

The colors painted on the eggs were intended to represent the colors of spring – the sunrise, flowers, and new growth.

Many cultures throughout the world have looked at the egg as a symbol of creation, the universe, and new life.

For Christians, the egg often represents the tomb of Christ and the rebirth of man through the gift of Christ's death and resurrection.

With so many aspects of Easter originating from non-Christian sources and the general population often knowing more about the Bunny than the Christ, what are we to think of as we approach Easter once again?

For me, it is much more than a day to wear new clothing. It is much more than a chance to hunt for eggs in the backyard. It is much more than any of the traditions we use to celebrate the day.

It is about hope and grace. It is a chance to come – once again or for the very first time – into right relationship with the One who makes us whole.

It is an opportunity to be made new and in the image of the Christ.

It is about accepting the gracious gift of God's love and to live everyday and in every way differently because of that amazing gift.

It is about worshipping with a faith community – acknowledging that others are gathering with theirs – and celebrating the gift of life, hope, and possibility.

This Easter Sunday take the opportunity to worship, pray, and commune with other faith journeyers.

This Easter Sunday stop and think about the amazing sacrifice Christ paid for all of us.

This Easter Sunday accept the gift of new life, hope, and grace.

It will change your life – in ways you can never imagine.

Go ahead and buy new shoes if you need them, dye eggs with your kids or grandkids, and bake your ham for lunch.

But first accept the gift of Easter and your life will change – forever. ###

**Happy Easter**

**Rosary Society News**

The Rosary Society of Corpus Christi Church in Hasbrouck Heights is hosting a Scholarship Luncheon on Friday, April 13, at noon in the school cafeteria.

This benefit funds scholarship awards to two Corpus Christi eighth-grade students who will be attending Catholic high schools.

Members of the parish and the community (gentlemen included) are invited to come to our Italian kitchen for an enjoyable fare of salad, lasagna and meatballs, and an array of desserts.

The donation for this benefit is \$10 and you may call 201-288-4095 to purchase your tickets.

There is no Rosary Society General Meeting scheduled for April.

The next General Meeting is Thursday, May 10. For information on the Rosary Society programs and activities, please contact President Karen McDowell at 201-288-5738. ###

**Guild Assembles Health Kits**

Through April 8th, The Guild of Reformed Church Women will be collecting and assembling items for health kits.

These kits consist of washcloth, hand towel, soap, toothbrush, toothpaste, nail file, comb and band-aids. Donations of any of these products in any quantity would be appreciated. These items are assembled in zippered plastic bags and distributed by Church World Service throughout the world wherever the need arises due to forced relocation of families because of disasters.

Call 201-288-1122 or 201-288-0378 for more info. ###

 10:00 a.m. Worship Service

The Ecumenical Good Friday Service will be on Friday, April 6th, at Noon at Holy Trinity Lutheran Church

Join us this Easter Sunday for exciting worship, inspiring study, moving liturgy and wonderful fellowship

## Holy Trinity Church Concerts

Back by popular demand! The widely acclaimed concert series, held last fall at Holy Trinity Lutheran Church, will continue this spring.

The series begins on Friday, April 20, 2007 at 7:30 p.m. with a concert of both piano solo and vocal music presented by Sonia Perez and Omaldo Perez.

Works by Manuel de Falla, Robert Schumann, William Bolcom and Alexander Scriabin will be featured.

Another concert is scheduled for Friday, May 18th, when the Perezs' will share the spotlight with the performance of songs from the American Song Book and Broadway.

Suggested donation is \$10. Light refreshments will follow each performance.

For further information call 201-288-6889. ###

## Taize Prayer

On Sunday, April 1, 2007 there will be TAIZE PRAYER BEFORE THE BLESSED SACRAMENT from 7:00 p.m. to 8:00 p.m.

This meditative candlelit service will be prayed before the Blessed Sacrament and includes simple chants sung repeatedly, rich silence and prayers of praise and intercession.

All are invited to come and be renewed by God through prayer and silence in the beautiful chapel of the Felician Sisters located at 260 South Main Street in Lodi.

Taize prayer is a wonderful way to become more peaceful and centered in the Father, Son and Holy Spirit amidst a busy life.

There is no admission charge. For additional information, please call Sister Marilyn Minter at 973-473-7447. ###

## Mother's Day: Give A Blanket

To honor Mother's Day each year The Guild of Reformed Church Women have collected money to give to Church World Service (CWS) to buy blankets.

For \$5.00 each, CWS buys strong dark colored 100% wool blankets which are given to people living in disastrous conditions anywhere in the world where need is greatest.

The blankets are used in many ingenious ways: A blanket can be used to sleep under, as a ground or floor cover, a partition in a tent or other areas, as a shawl or wrap for a baby or child, as a door for privacy or comfort from cold, as a small tent, as a carrier on a back or saddle.

There are probably many other ways a desperate person can find to use a strong blanket.

The goal of the Guild is to collect at least enough money for 100 blankets.

Your donation in honor of, or in memory of, the women in your life will provide a blanket to help other families survive.

Send your contribution to: Guild of Reformed Church Women, Box 66, First Reformed Church, Hasbrouck Heights, NJ 07604. The deadline is Sunday, May 6th. ###

## Youth Invited To Evening of Praise, Worship & Song

On Sunday, April 15, 2007 there will be An Evening of Praise, Worship and Song from 7:00 p.m. to 8:30 p.m. at the Felician Sisters Chapel at 260 South Main Street in Lodi.

Young adults and youth are invited for this experience during which the Lord Jesus will be praised in song before the Blessed Sacrament.

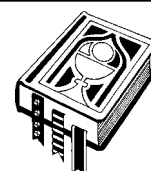

The ensemble providing the musical ministry for this evening includes guitars, percussion and woodwind instruments as well as vocalists.

There will be opportunities for the reception of the Sacrament of Reconciliation. There is no admission charge.

For more information please call Sister Marilyn Minter at 973-473-7447.

The Felician Sisters cassettes of their 2001 recording "The Gift of Song" are available for \$5.00. To order copies, please call Sister Mary Virginia at 973-473-7447 ext 115. ###

## AHOF Open Cockpit Day

On Saturday, April 7, 2007, the Aviation Hall of Fame and Museum will open all aircraft and their cockpits to the public for visitors of all ages to sit in and pretend to fly.

Aircraft include Martin 202 Airliner, Cobra Gunship Helicopter, Coast Guard Rescue Helicopter and a Lockheed

402-2 Bush Master. Guides are available to explain each aircraft.

Admission: Adults \$5, Children (under 12) & Seniors \$3.

Call 201-288-6344 for a copy of their new brochure, or visit their web site: www.njahof.org ###

## Explore Space

Space Exploration Night at the NJ Aviation Hall of Fame and Museum is on April 20th at 7:30 pm.

Come learn about the past, present and future of space exploration from space flight expert and historian Joe Lenox.

The program will include authentic spacecraft hardware, detailed scale models, actual flight documentation, charts, pictures, and historical items.

This multi-media presentation has been well received at museums, libraries, schools, civic organizations and adult classes throughout New Jersey.

Don't miss this exciting evening for people of all ages.

For more information call 201-288-6344. ###

## Chamber Meetings

The Chamber of Commerce has scheduled meetings for April 11, May 2 and June 5 at 7:00 p.m. in the Hasbrouck Heights Free Public Library meeting room. These meetings are open to merchants and residents.###

### Town-wide Garage Sale Cancelled

The town-wide garage sale scheduled for May 19, 2007 has been cancelled.

## Dog License Renewal Info

Laura French, Secretary to the Hasbrouck Heights Board of Health, reminds all dog owners that their 2006 dog license expired on January 31, 2007.

Licenses renewed between February 1, 2007 and June 1, 2007 are subject to a \$10 administrative fee in addition to the cost of the license. After June 1st, the late fee is \$20.

Fees for the year 2007 will remain the same: \$7.00 if altered; \$10.00 unaltered.

Owners are reminded that the dog(s) must be immunized against rabies for the first 10 full months of 2007. Dogs with rabies immunizations which will expire prior to October 2007 should receive a booster prior to applying for the new license.

Licenses can be obtained by mail by enclosing a copy of the current rabies certificate, proof of spaying or neutering along with the license fee.

Send check with a self-addressed, stamped envelope to: Health Department, 320 Boulevard, Hasbrouck Heights, NJ 07604.

Failure to renew a license will result in legal action.

Please call 201-288-1636 to advise the Health Department if you no longer have your pet. ###

## Rummage Sale

The Guild for Christian Services will hold their Spring Rummage Sale at the First Reformed Church on April 20th and 21st from 9:30 a.m. to noon.

Items for sale include clothing, shoes, toys, books and household items. Donations welcome. Proceeds will go to Church projects and missions. The Guild holds rummage sales every spring and fall. ###

## AC Bus Trips

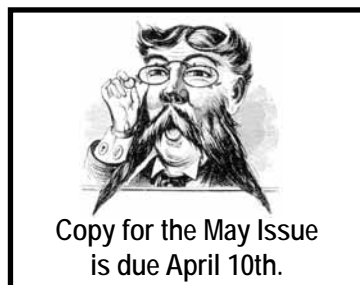

The VFW sponsors Atlantic City Bus Trips on the last Wednesday of the month. Bus departs at 11:00 a.m. and returns at about 9:30-10:00 p.m. Proceeds are used to help defray building expenses. Call the Post for more information at 201-288-1112. ###

## Golf Outing May 31st

Care on the Corner will sponsor their Second Annual Golf Outing at Skyview Golf Club in Sparta on Wednesday, May 31, 2006.

Continental breakfast and registration are from 7:30 a.m. to 8:30 a.m. Shotgun golf start is at 9:00 a.m. and the luncheon is at 1:30 p.m.

Prizes are for the closest to the pin, longest drive contest, score prizes and hole-in-one cars. Sponsorships are available. Cost is \$125 per golfer. Luncheon is \$50 per person. To sign up, call Care on the Corner at 201-288-9460. ###

Copy for the May Issue is due April 10th.

## Lions/Kiwanis Golf Outing

The tournament is scheduled for June 8th at the Rockleigh Golf Course. Fee is \$125 and includes golf, cart, lunch and awards dinner.

The event is sponsored by the Hasbrouck Heights Lions Club and the Hasbrouck Heights/Teterboro Kiwanis Club. All proceeds to benefit various community charities.

Journal ad sponsorships are available. For more info call Dr. Eglow at 201-288-2354 or Mr. Luongo at 201-393-8145. ###

## Commander's Pet Project

The VFW will hold a dinner dance beginning at 7:00 p.m. until 11:30 p.m., on April 21, 2007. Cost is \$30 per person and includes dinner, dancing and a four hour open bar plus wine, beer and soda.

The event benefits the Commander's Pet Project which is supporting three veterans homes in New Jersey (Paramus, Menlo Park and Vineland). Members of the Veterans Home in Paramus will be guests of the Post.

The public is invited. Reservations are requested by April 12th. For reservations or more information call Mike at 201-288-3654, Astrid at 201-288-5612 or the Post at 201-288-1112. ###

## Loyalty Day

VFW Post 4591 will conduct Loyalty Day services on April 27, 2007 starting at 7:30 p.m. at the Post.

Light refreshments will be served. The public is welcome to attend. ###

## Farmers' Market Continues in '07

The Farmers' Market is scheduled to begin on June 26th and continue every Tuesday from Noon to 6:00 p.m. until late September, at the corner of The Boulevard and Washington Place.

This Farmers' Market is scheduled to host the same farmers/vendors as last year.

According to Chamber President Ray Vorisek, Hasbrouck Heights businesses and community organizations are invited to set up a free table for one Tuesday afternoon during the 2007 Market. Limited positions are available. Call Ray at 201-288-5464 for more information.

During Farmers' Market days, Boulevard businesses are permitted to take advantage of "Sidewalk Sale" opportunities and set up tables in front of their stores. ###

## Memorial Day Parade May 28th

The Annual Memorial Day Parade is scheduled to start at 10:00 a.m. on May 28th at Williams Avenue, march along Terrace Avenue and conclude at Memorial Park at Passaic Avenue.

A brief Veterans ceremony will be held, followed by services at the Fireman's Memorial at The Circle.

This annual event is co-sponsored by the James B. Scarr Post 106 American Legion and the Veterans of Foreign Wars Post 4591. The public is encouraged to participate in this patriotic event. ###
