Marching Band Competition

The Hasbrouck Heights Music Parents Association is hosting the 18th Annual USSBA Band Competition on October 27, 2007 from 6:00 p.m. until midnight at Depken Athletic Field.

This event features 11 marching bands from different schools.

The HH Band will be attending four other competitions including the championship in Allentown, PA on November 11, 2007.

Everyone is welcome. Tickets are \$8 each and will be sold at the gate that evening. This is their major fund-raiser of the year. ###

Copy for the November Issue is due October 10th.

Public Invited to Ladies Aux. Dinner-Dance

The VFW Ladies Auxiliary will hold their Annual Dinner Dance beginning at 7:00 p.m. until 11:30 p.m., on October 27, 2007.

Cost is \$30 per person for a complete dinner, beer, wine and soda, plus a four hour open bar. Music will be provided by "Chris."

Dinner-dances sponsored by the Post are always open to the the public. ###

The New Jersey Presidential Primary will be held February 5, 2008. Registration deadline is January 15, 2008.

Heights Vet Offers Autumn Pet Care Tips

The Hasbrouck Heights Oradell Veterinary Group, located at 343 Boulevard, suggests that you watch out for family pets as you prepare for the cold, festive days of fall.

- Many brands of antifreeze are highly toxic. Store new and used antifreeze in a sealed container.

- Chocolate is a special treat, but it is toxic to dogs, cats and birds.

- Holiday meals can be hazardous to pets. Chicken and turkey bones can get stuck and pierce the digestive tract. Rich foods can cause pancreatitis or bloating.

- Indoor pets not acclimated to winter temperatures should not be outside in cold weather for long periods. Outdoor pets can withstand fairly cold temperatures, but make sure they have proper shelter from wind and rain and provide them with good bedding. Frostbite is a winter hazard to pets. ###

FAIR Rebate Deadline Extended to Oct. 31st

Deadline for filing FAIR Rebate applications has been extended to October 31, 2007.

The FAIR Rebate Program provides rebates for New Jersey resident homeowners and tenants who occupied their principal residence in New Jersey on October 1, 2006, paid property taxes on that dwelling either directly or through rent, and whose gross income for the entire year does not exceed certain limits.

Homeowners and tenants file different applications according to their status on October 1, 2006.

If you were a homeowner on October 1, 2006, a 2006 FAIR Homeowner Rebate application was mailed to you by July 2007. Homeowners do not file Form TR-1040, doing so will delay the payment of your homeowner rebate. Eligibility includes having a gross income for 2006 of \$200,000 or less, subject to local property taxes. The 2006 property taxes must have been paid.

If you were a tenant on October 1, 2006, file a Form TR-1040, FAIR Tenant Rebate application, contained in the 2006 resident income tax return booklet. Eligibility includes: your principal residence is subject to local property taxes and property taxes were paid through rent, residence is a full living unit with separate kitchen and bathroom and your gross income for 2006 was \$100,000 or less.

If you were neither a homeowner nor a tenant on October 1, 2006, you are not eligible for a 2006 FAIR Rebate, even if you owned a home or rented a qualified dwelling for part of the year.

For complete details and additional information go to: www.state.nj.us/treasury/taxation/ or call the FAIR Rebate Hot line at 1-888-238-1233.

Hasbrouck Heights residents may also contact Conchita Parker at 201-288-1152 for assistance. ###

The Energy Corner

Are there other ways to save money?

Yes. Take a look around your home and check for drafts around doors, windows and even electrical outlets. By adding caulk, weather stripping or foam insulation you can block out winter cold -- which means greater comfort for you and your family and less work for your heating system. If you haven't installed storm windows and doors, this could be the year when it really pays to do so.

A great place to check for energy leaks is your attic. Since warm air rises, money could be going through the roof if your attic area is poorly insulated. (Remember, purchasing and installing insulation with higher "R" values means greater energy savings.)

And don't forget to check below. Insulating floors over unheated areas will help keep out the chill. So will insulating basement walls.

14th Annual Boulevard Window Painting Contest

Area residents can stroll The Boulevard during late October 2007 where local businesses, in conjunction with the three grammar school PTA's, will sponsor the 14th Annual Halloween Window Painting Contest.

Over 300 3rd, 4th and 5th Grade students will paint a Halloween theme illustration on a space provided by Boulevard businesses.

Graphics will be judged upon originality and artistic expression.

Winners from each Grade will receive 1st, 2nd and 3rd Place Ribbons. All participants receive ribbons.

Event is sponsored by: Hasbrouck Heights Chamber of Commerce in cooperation with the 2007 Home School Association (*Corpus Christi*), and Lincoln and Euclid PTA's. ###

Ragamuffin Halloween In The Park Parades

Hasbrouck Heights

On Saturday, October 27, at 1 p.m., the Annual Hasbrouck Heights Ragamuffin Parade will depart from the Public Safety Building on Hamilton Avenue and march along The Boulevard to the Municipal Complex at Central Avenue for a "boo-ti-ful good time."

Puppeteers will entertain the children. Juice and cookies will be served. Event sponsored by Mayor's Celebration Committee. ###

Moonachie

On Saturday, October 27, at 10:30 a.m., the Moonachie Ragamuffin Parade will be held, rain or shine, at the Robert L. Craig School parking lot. Parents and residents are invited to dress in their spookiest and most beautiful costumes.

They will then march through Moonachie and then return to the school for refreshments and "Goodie Bags." ###

Woodland Park will be invaded by ghosts, goblins, aliens and assorted scary characters on the evening of Thursday, October 18, 2007 (*tentative rain date October 23 or 25*).

Last year, over 600 participated in this event.

Halloween in the Park will begin at 5:45 p.m. and conclude at 9:30 p.m. Every 15 minutes, two hayride trailers will take turns collecting riders at the Harrison Avenue end of the pavilion and go around to the back section of the park where they will be frightened by a variety of terrifying citizens of the night.

Youngsters should sign up for the earlier time slots as the fright station tableaux will be less scary.

After the horrific experience ride, they can escape at the Roosevelt Avenue end of the pavilion — where they will be treated to cider and cookies.

The pavilion fireplace will be warm and glowing. A card reader will delight participants and music will be provided by "Fun Time Entertainment."

Organizations are invited to "set-up" and operate a fright station. Call Rob Brady at 201-288-4143 for details.

The event is sponsored by the Hasbrouck Heights Recreation Department. Tickets are \$5. Children under 10 must be accompanied by an adult. Tickets were available during Town Day.

For more information call 201-288-4143. ###

Trunk or Treat

Bible Baptist Church invites the community to its 4th Annual "Trunk or Treat" on Sunday, October 28th.

From 5:00 p.m. to 7:00 p.m. the Church will close its parking lot for this free, fun event which provides a safe, fun alternative to trick-or-treating.

Children up to the 6th Grade will have the opportunity to walk through the parking lot full of decorated automobile trunks and fill their bags with lots of goodies and special treats.

Due to the nature of this event NO masks, blood, guts, gore or evil costumes will be permitted.

The soccer girls of Hasbrouck Heights and Wood-Ridge take a break from their hard practice to pose for a picture. The girls have been participating in double practices each day, commonly referred to as "Hell Week." The varsity team hopes to maintain their title of being undefeated league champs and has a strong outlook for the upcoming season. Story by Jane DeMaria

Hasbrouck Heights Swim / Dive Team

The Hasbrouck Heights Swim Team had a dynamic 2007 season, competing against many dominant teams in the area such as Paramus, Mahwah, Stony Brook and Saddle River Valley. The Team's new swim coach and assistant manager, Charlie Ferraro's, hard work and effervescent personality helped to make this season especially exciting. The Team is proud of their accomplishments, allowing them to compete in Leagues and Counties. The season officially ended with the famous water balloon battle, greased watermelon and awards ceremony during a party on August 13, 2007. Photo provided by Swim Club.

Corpus Christi School Students Settle into New School Year

With the first weeks of school now a distant memory it is now time for the students of Corpus Christi School to swing into the rhythm of the school year.

October 17th and 18th are important meeting dates for Corpus Christi parents. At these two meetings the new Archdiocesan report cards will be explained. One of the biggest changes will be the change from the traditional quarterly reports to the new three times a year schedule. This allows for teachers to spend more time going over material, especially during the extended holiday periods when the need to condense material to follow grading schedules becomes critical.

School pictures will be on October 25 and the K-2 Hallow-

een parade will be on October 31st. Dates are now being confirmed in October for both the Student Council Inductions and the National Junior Honor Society.

Weather permitting, the playgrounds at Corpus Christi will be made more "user friendly" with a recess stencil set from "Peaceful Playgrounds" received through a grant donation. The students will be assisting on this project to create play spaces that will allow for more areas for group and individual activity.

In October all of the school clubs will start up. Some club examples are Choir, Student Council, Blue and Gold, Arts and Crafts, Dance, Chess, Math, Art and Puzzles and Games. Story by Sonya Buckman. ###

Amariuta is a Sweetheart

Miss New Jersey Jr. Sweetheart, Tiffany June Amariuta, won the highly contested National Sweetheart Competition held July 16-23, 2007 in Music City USA - Nashville, Tennessee. The competition involved state titleholders from all 50 states, as well as Washington, D.C., Guam, and Puerto Rico.

While emphasizing academic achievement, writing skills, personal expression, and the ability to speak in front of large audiences, this program endeavors to foster in the contestants added dimensions of learning, essential in the development of the leaders of tomorrow. It cultivates service to community, poise, leadership skills, grace under fire, elegance, interview proficiency, and social refinement.

Miss New Jersey Jr. Sweetheart impressed the judges and the entire audience, at the prestigious Tennessee Performing Arts Center, with her superb execution of two complex piano pieces: Solfeggietto by Bach and Grieg's Piano Concerto in A Minor.

Tiffany's obvious love of music and technical skill won her First Place in the nation. This success came on the heels of Tiffany's winning the State Jr. Sweetheart Crown and Ban-

ner in April 2007, at the Music Pier in Ocean City, New Jersey, where she also won the New Jersey State Talent Trophy.

Tiffany is the thirteen-year-old daughter of Dr. and Mrs. Ion Amariuta of Hasbrouck Heights. She began Hasbrouck Heights High School this September. ###

Band Camp

Welcome back my friends, to the show that never ends! BAND CAMP!!! It's here!

It's that time of year again to prepare for this year's show. The Hasbrouck Heights High School Marching Band, under the direction of Mr. Joe Ascolese, spent the week of Aug. 20th learning marching band basics, the music and moves for this year's performance.

The band consists of fifty-eight students in Grades Seven through Twelve. Some are newcomers. Some are seasoned performers. They all blend together for the common goal of providing a quality show.

Mr. Ascolese is pleased to say that the band and the entire music program as a whole, has

been increasing in size over the past few years.

The marching band performs at all home and away football games and town parades. They also compete in US Scholastic Band Association band competitions. It looks to be an exciting season with the band also intending to perform this coming spring at Walt Disney World in Florida.

The show this year, pulling from classic rock and jazz themes, challenges the students rhythmically to craft an exciting show. The band's first performance is at the first football game of the season. Their first competition is September 29th in Pompton Lakes. Come and see the show! ###

Practical Tips for a Healthier You

Boo! Hope I didn't scare you!! Yes, it is the fall, and the ghosts and goblins will be appearing in our neighborhood! I hope you find time to meander along The Boulevard and check out the display of spectacular school artwork in the windows along downtown Hasbrouck Heights. In fact, plan to make that a part of your exercise plan! Start along The Boulevard near LaSalle (or wherever your heart desires) and continue towards The Circle leading towards Wood-Ridge. As you pump your arms, take a peek at the window displays that we find annually around this time of year. It certainly is a “treat” to say the least!

Speaking of “treats” I know that this month can be a “tricky” time to watch that refined sugar intake. Seems like the commercialism around Halloween begins earlier and earlier each year. I find myself gazing at candy corn and mini-chocolates as early as the summer! So here are a few tips on getting by during this season of trick and treating.

First off, remember that it's ok to indulge in a treat now and then. However, if you're been following a healthy eating program, you may find the sweet treats too much for your body to handle. So if you must, try to have one mini-Snickers or bite-size package of candy. For me, if I have just one, I'll be off to the sugar-races! I've learned that eating sweets can trigger eating more sweets. So it is best to pass them by and opt for a healthy alternative. Not only is this a great goal for you, but the children will see you eating healthier, thus they eat healthier. We are the most visible role models for our children. It is up to us as parents to model good behaviors, set limits and plan nutritious meals. However, I do love Halloween. So enjoy the season and check out below for some great tips on handling those “tricky” questions about what to do with all that candy!!!

*Here are some hints to help handle Halloween Treats:

1. Take a good look in that goodie bag. Toss anything that looks like it has been opened or tampered with. Better be safe than sorry!
2. Let the kids divide up the contents. I let my kids put a couple of treats in small sandwich bags so that I was able to control portions given out.
3. We have to let kids enjoy treats; however, we should be mindful that candy should not get in the way of eating

healthy meals.

4. Perhaps the kids may wish to trade in their candy for some money? This is a great way to lighten the load of candy they will eat.

5. Once again, be a role model and take the time to discuss sweets in moderation.

6. Encourage kids to stop before they feel ill. Set healthy limits on sweets.

7. Remember, Halloween comes once a year. If eating and exercise habits are consistent, one day of indulgence should not hinder your progress!

*(www.kidshealth.org)

Well, happy and healthy trick or treating to all. See you next month!

Pharmacist Corner

October is American Pharmacists Month and this year's theme is “Know your medicine, know your pharmacists,” which encourages patients to get to know the resources a pharmacist may provide.

The best way to avoid future health care costs is to know how to properly take your medicine.

Each year, thousands of people end up in the hospital, fail to get better, and spend more money than necessary, simply because they do not take their medications properly.

Pharmacists can educate patients about medications, both prescription and non-prescription. Every patient should be able to answer several questions before taking new medications:

1. Length of time a medication should be taken.
2. Determining if a medication contains anything that can cause an allergic reaction.
3. Determining if alcohol or any other foods, medicines, or activities should be avoided while taking the medication.

Patients should expect a higher level of service from

today's pharmacists. If a patient is not getting this service, they should either ask for it or go to a different pharmacy that provides it.

Arthritis/Osteoporosis Seminar at Library

The Free Public Library of Hasbrouck Heights will hold a free seminar entitled "What you need to know about Arthritis and Osteoporosis."

The program will be held in The Library's conference room from 7:00 p.m. to 8:30 p.m. on Thursday, October 25, 2007.

Dr. Banogon, of CareOne, will be the featured speaker. Dr. Banogon received his Doctorate degree in Physical Therapy from Simmons College in Boston, MA. He is a diplomate of the American Academy of Wound Management and the American Board of Physical Therapy Specialties. He specializes in geriatric rehabilitation and wound management.

Topics discussed: differences between Rheumatoid Arthritis and Osteoarthritis, best exercises, make your home "arthritis friendly", avoiding fatigue and flare ups, assess your risk factors, why exercise, good posture, good diet and lifestyle are important. etc.

To register please call 201 288-0484. ###

AARP Central Bergen Chapter Resumes Activities

At their first meeting since being installed, the new officers took over their responsibilities. President Marie Gallo welcomed all and stated that the group can only endure as long as members become active.

She asked that members not be content to be just a name on a list but be an active member; one who will attend all meetings, support the activities of the club and be willing to assist when called upon. Marie emphasized that the members must work as a team to accomplish their goals.

Program Chairperson Marion Davidowicz announced the schedule for the next three months. In October, representatives from Pathmark in Hackensack will review their services as well as provide limited refreshments; in November, **Envision Video Services** will discuss the importance of preserving your memories before photos, movies and slides fade away; and, in December, there will be the annual Holiday Party with entertainment

by Dick Scott.

Julia Berhain reviewed the trips that have been scheduled for the year. On November 16th there will be a trip to Woodloch Pines in Hawley, Pennsylvania.

The cost is \$46.00 for members and \$48.00 for guests. The buffet luncheon will feature hot and cold food; many German items will be featured. A German band will entertain all as well as play music for dancing. Additional trips that are being planned are to Li Greci's Staaten in New York on March 20th and to Penn's Peak in Pennsylvania on May 8th.

Past President Mike Cahill gave the community service report. He asked all to save and bring in their cancelled stamps.

They will be shipped to a nun in Nebraska who will sell them to foreign dealers. The monies raised will support Youth Leadership Programs.

Mike also informed the group that the annual food collection would take place at the November meeting.

All food collected will be turned over to the Center for Food Action who will distribute it to the needy in Bergen County.

Finally, Mike asked the members to continue to support the drive to raise funds for a scholarship. This year, the scholarship will be opened to high school seniors who are grandchildren or great-grandchildren of AARP members.

The speaker for the day was Bergen County Sheriff Leo P. Mc Guire. He captivated the audience with his outgoing personality. His topic was "Identity Theft." The Sheriff not only discussed this topic thoroughly, but also gave a brief, but informative account of his responsibilities as Sheriff.

Central Bergen Chapter #418 AARP meets the second Friday of each month except for July and August. They meet at 12:30 p.m. at the M&M Building, 116 Holt Street, Hackensack.

Membership is open to seniors who are members of AARP and who reside in Hackensack, Hasbrouck Heights, Maywood, Rochelle Park, Little Ferry or South Hackensack. New members are always welcomed. Their next meeting is Friday, October 12th. *Story by Marie Gallo. ###*

Leisure Club Learns About Elder Care

By Peter Gallo Jr.

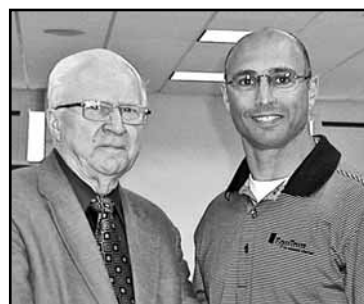

At the last meeting of the Leisure Club the speaker was Mr. Michael Blundetto from Alternate Solutions. He discussed elder care services.

He stated that 45% of all American citizens over the age of 65 will require some sort of care. Presently, 18 million citizens over 65 are in a care facility. The cost of being there is in the range of \$80,000 a year.

Mr. Blundetto reviewed government entitlements. He stated that Medicare covers less than 2% of the cost of long-term care placement.

To get this help a person must be in a hospital for at least 3 days and enter a nursing home within 30 days after being released from the hospital. Medicare will pay 100% of the cost for the first 20 days and then \$95 a day for the next 80 days. They pay nothing after the first 100 days.

Mr. Blundetto stated that it is important to review your fi-

ancial situation. He discussed the ramifications of placing your assets in your children's names; and reminded us that the government can look back five years and require that you use any assets you possessed during that time, no matter how you distributed them.

Alternate Solutions was started by Mr. Blundetto twenty years ago. His company provides help for seniors.

They will identify if your current assets are keeping pace with the growth around them or are slowly eroding away due to low income rates, higher taxes or added inflation. His company will provide a free analysis to help you. ###

Library Holds Dedication

The Free Public Library of Hasbrouck Heights acknowledged a number of gifts that were presented to them in the past several months. The dedication ceremony was attended by donors and members of their families, as well as members of The Library Board of Trustees, Friends of the Library and patrons.

- A Howard-Miller wall clock was donated by the family of Chester "Chet" Rozmus. The large clock is located on the wall in the Reference Area above and behind the Reference Desk. Mr. Rozmus was a frequent patron of The Library. His wife and daughter, who came from Spain, were there for the dedication. Other family members were also present.

- The contribution of resident William Ryan was acknowledged. Mr. Ryan donated shelving for The Library's Storage Closet.

- A Coffee Machine which dispenses hot chocolate, as well as coffee, was donated by the Saccomano Family. Maryetta and Martin Saccomano were there for the dedication. Library Director Mimi Hui stated that since it was installed, The Library has realized a revenue of about \$100 each month.

- In the Children's Area,

Library Needs Board Games

Wood-Ridge Memorial Library's Youth Services is in need of Chess and Checkers, board games, and other game donations such as Jenga, Chinese Checkers, Mancala, and Backgammon. Plastic and wood game pieces are needed in particular, and extra game pieces can always be used. ###

the special Wall Treatment was also dedicated. The suggestions and ideas for the wall were the product of the collaboration of Susan Corbo and Bernadette Flaim. Local artist Lucia Portali Waters did an excellent job with the artwork. The theme for the area is, "Give us Books, Give us Wings." Paintings appropriate for the area were donated by Patricia Link and Mac and Rosalie Nickles; and children's tables and chairs were donated by the Junior Women's Club. *Story by Peter Gallo Jr. ###*

THE GAZETTE NEWSPAPER

September 11th Remembered

Scenes from Hasbrouck Heights, Moonachie and Wood-Ridge communities remembering September 11, 2001. ###

In 1982, Cristina Lopez started the Cristi Cleaning Service with a small staff of handpicked employees and a strong commitment to customer service. 24 years later, Cristina's company is the contracted cleaning service at Newark Liberty International and Teterboro airports.

Cristina won the contract with the help of the New Jersey Air Services Development Office (ASDO). ASDO, funded by The Port Authority of New York and New Jersey and its airline partners, brings opportunity and growth to hundreds of area businesses in Bergen, Essex, Hudson, and Union counties.

ASDO helps to identify and match the needs of aviation industry buyers with the expertise of local firms to win contracts and awards. The result? Small local businesses are able to compete with larger firms for contracts at Newark Liberty and Teterboro.

Thanks to the commitment and support of ASDO, Cristi Cleaning and other area companies have been able to expand their business and create more jobs in the community.

For more information about the ASDO program, call Helene Gibbs, Program Manager, at 973-961-4278 or visit ASDOonline.com.

ASDO helped her business take off.

THE PORT AUTHORITY OF NY & NJ

Look what we're doing.

Aviation Hall of Fame Take

The C-54 Skymaster arriving at Teterboro Airport. The C-54 had an onboard museum dedicated to telling the story about the Berlin Airlift. About 1,250 C-54's were built and maybe 20 are still flying

The WWII vintage C-47D "Yankee Doodle Dandy" taxis to the Wings & Wheels display area. This aircraft had an informative onboard museum available to the public.

All eyes were watching the B-17 "Yankee Lady" take off.

The **Aviation Hall of Fame and Museum** presented the Wings & Wheels Expo on September 15 & 16th at Teterboro Airport.

The Yankee Air Museum (www.yankeeamuseum.org) based in Michigan, flew into Teterboro with a WWII C-47 workhorse and the B-17 "Yankee Lady." The C-47D held an onboard museum.

The featured exhibit was the "Yankee Lady," a World War II B-17 Flying Fortress bomber. For a fee of \$425, the B-17 offered unforgettable rides to ten 'crew members' at a time.

A C-54 Skymaster (www.spiritoffreedom.org) based in Farmingdale NJ, contained an onboard display dedicated to the Berlin Airlift.

The Army Air Forces Historical Association provided an extensive educational display

which was dedicated to preserving the history of the United States Army Air Forces during world War II.

The **Port Authority of NY & NJ** displayed their Police Helicopter, crash/foam truck and runway maintenance equipment.

In addition to various aircraft, there were exotic, antique and custom cars, antique Moonachie fire truck and military vehicles on display. Various organizations provided displays to include Civil Air Patrol, US Naval Sea Cadet Corps, Operation Bolero (Glacier Girl), Paramus Flying Club, NJ Naval Museum (USS Ling), a variety of aviation and military memorabilia vendors, etc. The Moonachie First Aid and Rescue Squad was available for any emergency. The Aviation Hall of Fame was open during this event. ###

Off with Wings & Wheels

Rides were available to the public. Of the 13,000 B-17's built, only 11 are still flying. It took nine years to restore this B-17 Flying Fortress to its original condition.

With Route 17 closed in both directions, Bergen County HAZ-MAT team transferring gasoline from disabled tanker to the replacement tanker about 7:30 p.m.

The Almost Disaster

It could have been a disaster. But wasn't.

On Friday afternoon, August 24th, about 2:18 p.m., a fully loaded gasoline tanker collapsed on Route 17 at the jug-handle across from White Castle.

The tractor became disabled and pulled onto the shoulder. The driver lowered the trailer's front landing gear supports and disengaged the tractor from the tanker trailer. A replacement tractor attempted to reconnect with the tanker when the trailer's landing gear supports gave way. Both tractors pulled forward of the traffic signal.

The scene immediately surrounding the disabled tanker was evacuated.

First responders took action of an unknown situation.

Route 17 North was closed with traffic diverted to Moonachie Avenue, along Hackensack Street/Terrace Avenue and down Franklin Avenue back to Route 17 North.

Incident Commander, Second Assistant Chief Kevin Todd, positioned available resources north of the incident.

Heights Rescue applied Speedy Dry around the storm sewer opening to create a dam in case of a leak.

On Route 17 North, Heights Engine 2 dropped a 5" hose, connected to a hydrant, connected a feed line to the foam/crash truck, then charged the line for a stand-by. Wood-Ridge Engine 905 connected to a hydrant on Route 17 South and stood by and prepared to drop a 5" hose.

By 3:00 p.m., the remaining traffic caught between the detour at Moonachie Avenue and the incident was cleared and Route 17 North was fully shut down. Route 17 South

traffic continued.

Assistant Chief Todd, several Bergen County HAZ-MAT, HHPD and NJ DOT members did a close visual inspection of the trailer and determined that no gas was leaking, assessed the damage and developed a plan of action to safely deal with the situation. South Bergen Zone 2 Fire Coordinator, Mark Tomko, assisted with mutual aid company coordination.

The task was to find a compatible tanker on a Friday afternoon, get it to the scene through grid-locked traffic and off-load the product safely in terms of personnel and the environment.

Lodi Foam Unit arrived at about 3:45 p.m. and positioned south of the incident.

BC HAZ-MAT, using HHFD and Lodi thermal imaging cameras and digital thermometers, continually assessed the tanker's load and temperature.

At about 4:14 p.m., BC HAZ-MAT covered the three storm sewer drains near the incident with plastic sheathing and NJ DOT trucks covered them with sand. This precaution would protect the environment in case of spillage.

Three news helicopters were circling the scene.

With Route 17 North closed, traffic was creating back-ups in New York City, and Trenton ordered relief. At about 5:30 p.m., NJ DOT set up cones to open one lane of traffic northbound.

At about 5:43 p.m., a gasoline tanker from Prospect Transport, Carlstadt, NJ, arrived on the scene. Unfortunately, the tanker was also full of gasoline. With a Bergen County Police escort, the tanker went up Route 17 to a

Ridgewood gas station to unload their product.

At about 7:00 p.m., the empty tanker returned, positioned for off-loading, hooked up several grounding cables to both vehicles and prepared transfer hoses.

BC HAZ-MAT technicians reviewed the off-loading technique with the truck operators. The technicians stated that they had this type of tanker event training.

HHFD Foam/Crash Truck prepared the foam-handling hoses and positioned their firefighters on the north section of the jug-handle. Lodi Foam Unit prepared themselves at the south section of the jug-handle. Their primary objective was that in case of an incident, they would be able to protect the BC HAZ-MAT technicians who were on top of the disabled tanker off-loading the gas.

At about 7:15 p.m., final preparations were made to include shutting down all Route 17 traffic in both directions, cordoning off and evacuating an ample safety area for all emergency personnel on scene with the exception of the truck operators, HAZMAT and firefighters operating the foam unit positions.

At about 7:25 p.m., BC HAZ-MAT technicians Thomas Bischoff Jr. and Scott Saunders stood on top of the disabled tanker, inserted a suction hose and began off-loading the gasoline product.

At about 8:45 p.m., the final batch of gasoline was transferred to the replacement tanker, which then departed. Emergency services then began breaking down the scene.

At about 8:52 p.m., the towing company began their task of lifting the empty tanker, placing a miniature "fifth wheel"

(trailer hitch), reconnecting the empty tanker for transport and departed at about 9:50 p.m.

Route 17 South was reopened about 9:15 p.m. and Route 17 North was reopened at about 10:30 p.m.

Fire Departments responding to the scene were Hasbrouck Heights Fire Department Foam/Crash Truck, Engine 1, Engine 2, Rescue and both ambulances, Lodi Foam Unit and Engine 1; Hackensack Emergency Response Units, three Moonachie Rescue/EMS units, Teaneck's Box 54, Wood-Ridge Engine 905 and Garfield Engine 1, East Rutherford Truck 1 and Carlstadt Rescue.

Police Departments responding included: Hasbrouck

Heights, Wood-Ridge, Bergen County and NJ State Police, in addition to BC HAZ-MAT Team, BC Office of Emergency Management Sgt. Barry D. Leventhal, and the NJ DOT emergency response unit.

During the incident, Wood-Ridge Engine, Hackensack Engine, Little Ferry Ladder and Moonachie Engine were on standby at the Hasbrouck Heights Fire Headquarters to handle any emergencies.

It was noted that many businesses along Route 17 were adversely affected, i.e., The Fiesta had three receptions scheduled that night. ###

Search & Rescue

On the evening of August 22, 2007, the Hasbrouck Heights Fire Department conducted training at a Kipp Avenue house scheduled for demolition.

The exercise was led by First Assistant Chief Mike Ratowski, Rescue Lt. Chris Halloran and Ladder Company Capt. Brian Morrow.

The drill started with orientation and a review of safety procedures and on-scene protocol. Participants were divided into two groups; each having the opportunity to participate in each scenario.

Lt. Halloran supervised second floor search and rescue training in a simulated smoke filled environment, utilizing three volunteers as victims.

Victims were hidden inside rooms near makeshift furniture. Doors were closed

and obstacles strewn about to simulate potential hazards.

The search for victims was done with firefighters in full turnout gear using their air tanks; and included practicing teamwork search procedures and use of thermal imaging cameras. Once the victim was located, rescuers had to remove them to the front door.

Capt. Morrow supervised several roof venting techniques. This included assessing the structure and incident, ladder training and safety, venting a sloped roof and venting a flat roof. Tools used included a circular saw, chain saw and axe. Firefighters wore full turnout gear.

Also participating in the drill were members of the Moonachie Fire Department and Carlstadt EMS. ###

In the Nick of Time -- The Hasbrouck Heights Fire Department responded to a smoke condition at Nick's Quick Stop, 183 Boulevard, about 11:30 a.m., Sunday, September 2, 2007. A small fire in the storage area was extinguished by the owners. The cause of the fire was undetermined and under investigation. No injuries were reported. ###

EMS Autumn Yard Work Tips

The Moonachie First Aid and Rescue Squad offers these safety tips for tackling autumn clean up tasks around your home.

- When lifting heavy bags of mulch, use a wheelbarrow when possible, and remember to lift with your legs, not with your back.
- Be careful when pruning. Pruning from a ladder is especially dangerous.
- To avoid blisters when doing yard work, wear gloves.
- If you are doing a lot of raking, try an ergonomic rake, which can be found at most hardware stores and garden centers. ###

HHFD Fund Drive

The Hasbrouck Heights Fire Department has begun their 2007 annual fund drive. Letters requesting donations were mailed to every home and business, September 27th.

The Department reminds residents and businesses to send their donations to: HHFD, P.O. Box 492, Hasbrouck Heights, NJ 07604. ###

Fire Prevention Week

October 7-13 is Fire Prevention Week. The Moonachie Fire Department is joining forces with the non-profit National Fire Protection Association (NFPA) to remind local residents to "Practice Your Escape Plan." During this year's fire safety campaign, firefighters and safety advocates will be spreading the word about the dangers of home fires and teaching local residents how to plan and practice escape from a home in case a fire occurs.

Being alerted to a fire and knowing what to do to escape from one are extremely important, yet only 23% of households have planned and practiced a home fire escape plan.

Moonachie First Assistant Chief Justin Derevyanyk stated, "Sometimes there are only seconds to escape. Having a plan in place saves precious time and makes survival more likely. We hope that Fire Prevention Week will prompt residents to plan and practice their escape."

Although it's difficult to prepare for the unexpected, reviewing the information below and taking action based on it to plan for a fire is strongly recommended... and don't forget to practice your escape plan during Fire Prevention Week!

• Install working smoke alarms on every level and inside and outside of each sleeping area.

• Develop a fire escape plan

that identifies two ways out of each room and have a family meeting place outside.

- Make sure your plan allows for any specific needs in your household. If everyone knows what to do, everyone can get out quickly.
- Practice using the plan, at least twice a year.

Studies have shown that some children and adults may not awaken to the sound of a smoke alarm; they may need help waking up.

If the smoke alarm sounds:

go to your closest exit, and if you run into smoke, turn and use another way out. If you must exit through smoke, get low and go under the smoke to your exit. Don't take time to pick up belongings; just get out and help others get out. Move fast, but stay calm.

Fire Prevention Week is actively supported by fire departments across the country. For 85 years, fire departments have observed Fire Prevention Week, making it the longest running public health and safety observance on record. ###

Mum's The Word

The Moonachie First Aid & Rescue Squad held its second annual mum sale on Saturday, September 8, 2007 from 8 a.m. to 4 p.m. at 121 Moonachie Road, Moonachie, NJ.

Beautiful 8" mums in assorted colors were on sale for \$8 each.

Together with the mum

sale, the Squad also hosted a garage sale featuring housewares, toys, clothes, books, etc. Baked goods were also available.

All proceeds go directly to the Squad for operating expenses. Donations to the Squad are always appreciated. ###

Not in My Backyard

The Hasbrouck Heights Police Department and Hasbrouck Heights Fire Department Rescue and Engine 1 responded to a vehicle in the backyard of a Hasbrouck Avenue resident on Monday, August 20, about 7:20 p.m. It was reported that a daughter was teaching her mother how to drive in the old Shop-Rite parking lot when the driver lost control and drove through the fence into the backyard. No injuries were reported. ###

MDA Labor Day Telethon Volunteers @ VFW Post

The 42nd Muscular Dystrophy Telethon began Sunday, September 2, 2007 at 9 p.m. and ran through Monday, September 3rd until 6 p.m.

Over 300 volunteers helped answer 100 phones and stuffed and mailed letters.

A first for this year's telethon - they "retired" one of their phones, took it to the NY studio, had it personally autographed by Tony Orlando, then raffled it off at the Pledge Center. An additional \$400 was raised and the winner was Phyllis Caporino of Hasbrouck Heights.

This regional pledge center, located at VFW Post 4591, has served Northern NJ, Manhattan and Staten Island for 36 years, taking in \$240,000 in pledges. ###

Moonachie Police Car Design Earns Honors

The recently acquired Moonachie Police Department vehicles won Third Place in the extremely competitive, Municipal Agency II (under 50 officers) category of "Law and Order" Magazine's 2007 International Police Vehicle Design Contest. Judging took place June 21, 2007.

The publication's comments were: "The graphics were designed with reflective tape in blue and yellow -- the department colors.

Red reflective was used on "Emergency 9-1-1" on each quarter panel, and white reflective stripes were used on the

rear bumper.

LED roof lights and rear flashing amber LED deck lights adequately illuminate the car at night."

The judges liked how the body-colored chevrons were used. (The chevron) is hidden away until it's needed. The bold diagonal line calls attention to the car itself. For a white car, it's very catchy.

"Law and Order" Magazine" started this contest over 20 years ago.

The 2007 Vehicle Design judges focused on the safety of the officer driving and the ability to identify it as a law

enforcement vehicle.

The two identical vehicles, Cars 32 & 33, are Dodge Chargers with police package. Both were paid for by a grant from the NJ Meadowlands Commission. ###

2007 Leaf Collection

Area DPW's will continue the service of curb-side leaf collection.

Hasbrouck Heights: Leaves may be raked into the street curb beginning October 17th and continue until December 1st.

Leaves should be raked off the top of the curb and fully into the street -- but not within 10 feet of storm drains.

It is advised that providing a drainage space between the leaf pile and the curb will allow a better flow of rain water to storm drains.

Leaves may also be bagged in paper sacks or in upright containers. Leaves in plastic bags are not acceptable.

Leaves are accepted at the Heights DPW recycling depot at any time in paper sacks or upright containers.

Moonachie: Grass collection stops the first Wednesday in November when leaf collection starts and lasts until December 1st.

Leaves may be raked to the street curbs, but not in the street. Leaf bags are available to Moonachie residents at Borough Hall -- 3 for \$1 or 15 for \$5. Leaf bags are picked up more frequently.

Wood-Ridge: Leaves should be swept to the street or put in paper biodegradable leaf bags only (not plastic bags or other containers) beginning October 1 through November 30, 2007.

It is advised that providing a drainage space between the leaf pile and the curb will allow a better flow of rain water to storm drains. Please

keep leaves 10 feet from storm drains.

Filled leaf bags will be collected as the streets are swept.

From December 3rd through December 28th, all leaves must be bagged -- no plastic. There will be no leaf collection after December 28, 2007.

Do not mix twigs, branches or other waste with the leaves. Other material will not be picked up. ###

Tinker Debuts as Princess of Siam

Faith Tinker, a Third-Grader at Assumption School, makes her theatrical debut in Rodgers and Hammerstein's classic musical, "The King and I," the premiere production of the Bergen County Players' Diamond Jubilee Season.

Eight-year-old Faith was among the 13 children selected, and she was cast in the role of Princess Ying Yaowalak.

Besides rehearsing with the cast all summer, Faith studied the movie version at home, and practiced her Siamese-accented dialogue and songs continuously, to prepare for the show's five-week run.

Faith is a fourth-year student of tap and jazz, a member of Wood-Ridge Brownie Troop 574, and played recreational soccer in town for 3 years.

"The King and I" is now playing, 3 performances every weekend through October 13. Tickets are available online at www.bcplayers.org or by phone at 201-261-4200. ###

Go Bananas

The Moonachie First Aid and Rescue Squad is hosting its Second Annual Comedy Night Fundraiser at the "Bananas Comedy Club," at the **Hasbrouck Heights Holiday Inn** on Friday, October 12 at 9:30 p.m.

Tickets are \$25 and there is a one drink minimum requirement. Call Diane at 201-675-2345 for advance sale tickets. Tickets are available at the door, but please mention the Squad so they receive credit.

Proceeds will be used for the First Aid & Rescue Squad building renovations. ###

Gift of Life

Nelson's first doctor visit.

Nelson after the surgery.

Stephanie Schwartz, Interact advisor, with Sonya and Nelson after the surgery.

Ruth Nebiar and Nelson on the day he went home.

On the morning of June 11, 2007, doctors at St. Joseph's Regional Medical Center in Paterson, NJ, successfully completed surgery on two-year old Nelson Zambrano, from Honduras, suffering from congenital heart disease.

Nelson arrived at Newark International Airport with his devoted mother, Sonya, on May 27, 2007. They were pale and undernourished.

The entire trip and medical care, including transportation, food, housing, hospital and surgical coordination, was arranged by the Rotary District 7490 Gift of Life Foundation, a project of the 49 Rotary Clubs of Bergen, Passaic and Hudson Counties. The Interact Club of Bergen County Technical Schools raised the funds to sponsor Nelson.

The host family for Nelson and Sonya's stay in America was Mid-Bergen Rotary Club member, Ruth Nebiar.

Breakfast time the next morning was a heartbreaking moment for the Nebiar Family. Two-year old Nelson was not even able to feed himself.

Throughout that week Nelson was introduced to food gradually. It was important for Nelson to build up his strength so that he would be prepared for surgery.

Nelson went into surgery at 6:30 a.m. on the morning of Monday, June 11, 2007. The surgery was a success.

Later that afternoon, Sonya, Nelson's mother, began having seizures. Sonya lay unconscious in the hospital with Rotarian Mia Villon and Mia's husband Cesar by her side. Sonya remained in the hospital for a week while Nelson returned home with the Nebiar Family.

That week, Ruth and Fred became parents again to a now much more lively two-year old.

It was determined that Sonya had parasites in her brain, a condition for which she was treated successfully at the same hospital, which had provided life-saving open heart surgery to her son only hours earlier.

She then returned back to the Nebiar household where she was reunited with her now healthy son.

Over the course of the next weeks, Sonya and Nelson began their recuperation. By following up with their medications, mother and son experienced rapid progression.

Nelson began to finally learn to walk and feed himself. He was now a normal two year old. The pair returned home on July 6, 2007.

It was a heartbreaking goodbye as the Mid-Bergen Rotary and the Nebiar Family waved good-bye to a now healthy mother and son. Not only one life was saved – but two. *Story and photos provided by the Mid-Bergen Rotary.* ###

Boulevard Bloom Project Update

This year the Hasbrouck Heights Garden Club added 10 new planters for a total of 50 planters. They received a very generous donation of \$1,200 from **Costa Memorial Home**. **Otterstedt Insurance** donated \$1,000 for the second year in a row. They received other donations from retailers, clubs and private citizens as well.

The alliance of the HH Garden Club, H.H. Mayor and Council (*Dept of Public Works*), and the Chamber of Commerce have been very successful. Each of the offices have continued to fulfill their commitments and this has resulted in the magnificent display of flowered planters.

This year, the Garden Club invited the Beta Club from HH Middle School to join the team and oversee the care of 36 planters. They did this as a community service.

The Club hopes to have the planters on The Boulevard until the end of October.

Donations are always welcomed and there are plans to purchase 10 more pots for 2008, which may complete the display over The Boulevard. ###

Harvest Moon

The October full moon appears on Friday, October 26, 2007, at 04:53. It is called the "Full Hunter's Moon."

According to "The Farmer's Almanac," with the leaves falling and the deer fattened, it is time to hunt. Since the fields have been reaped, hunters can easily see fox and animals which have come out to glean.

Other names for this moon include "Full Travel Moon," and "Full Dying Grass Moon."

The Native American Indians of the northern and eastern United States kept track of the seasons by giving a name to each recurring full moon. European settlers followed the custom. ###

Project Lifesaver

The Kiwanis Club of Hasbrouck Heights and Teterboro is sponsoring a special project for children who have been diagnosed with Autism or Down syndrome. This program is called "Project Lifesaver." A special device can help parents with their greatest fear-not being able to find their child if he/she wanders off.

The device is a one-ounce battery-operated radio wrist transmitter that emits a silent tracking signal every second, 24 hours a day. The child wears this bracelet 24 hours a day. The battery, as well as the band, is changed once a month. The wearer can do everything with it on, even shower.

The wrist transmitter has a specially designed radio receiver used to track down a lost child. A missing child can be found in twenty minutes. The Sheriff's team is specialized in approaching a lost child.

When a child is missing the caretaker calls the Police Department - then the Police call the Sheriff's Office. They use this device and, in extreme cases, they use helicopters as well as trained dogs.

Project Lifesaver is operated in over 30 states and every county in New Jersey by the local Sheriff's Office.

The Kiwanis Club is sponsoring this project and will pick up the initial expense of the wrist transmitter. They will pay for all wrist transmitters for children who live in Hasbrouck Heights.

There is a monthly maintenance fee of approximately \$13.00, which pays for a new battery and wristband. The parents must assume this fee. Parents of children who qualify should contact the Kiwanis Club. All names are kept confidential. If you need further information please call Marie at 201-288-0276. ###

Kiwanis Good Neighbor Awards

At a reception held at the Senior Center on Wednesday, September 5, 2007, the Kiwanis Club of Hasbrouck Heights/Teterboro recognized the efforts of nine citizens from our community.

They were selected by their neighbors as "Good Neighbors;" neighbors who do not seek rewards but only the pleasure of helping others; neighbors whose help has varied from making phone calls to volunteering to teach.

"The Kiwanis Good Neighbor Awards" were presented to Joseph Costa Sr., Gina De Florio, Laurence 'Lonny' Donohue, John and Dorothy Fitzin, Alice Riker, Terry McCollum, Joan Spaldo, and Frank Saggio. The award recipients were nominated by their friends or neighbors for their efforts throughout the year or past years.

• Joseph Costa Sr. has been a silent giver within our community for many years. He never seeks recognition or thanks. Despite Joe being ill, hospitalized and bedridden so many times these past few years, he has never refused to help any organization, club or Church; but most of all, he has brought up his family to understand that giving and sharing with others gives one great satisfaction.

• Gina De Florio has been a resident of Hasbrouck Heights for over 35 years. In the past two and a half years, she has become a valuable asset to The Library. About three years ago, The Library wanted to start a knitting class. Because she was born in Italy where knitting was a very important and practical skill needed in everyday life, Gina offered her services. She has 7 classes

with over 100 people. Because of Gina's efforts, The Library has established two craft organizations. Her groups now knit and crochet beautiful and useful items, which are donated to the patients at Hackensack University Medical Center.

• Laurence 'Lonny' Donohue is a "Good Neighbor" to the residents who live on the 100 block of Hasbrouck Avenue. He looks out for many of his neighbors. He thinks nothing of shoveling their sidewalks in a snow storm, edging lawns, and when asked, taking in their mail while they're away. He also took care of a family pet while the family was away on vacation. Lonny takes pride in his landscape and helps others keep their property beautiful as well. He genuinely cares about his neighbors and is always there helping when asked.

• John and Dorothy Fitzin have done more for the Senior Citizens of Hasbrouck Heights than any other volunteers in town. They have spent hours, days and weeks at the Senior Center to see that everything runs smoothly. They are the first ones at the Center to open it and the last ones out to close it. Dot and John purchase, prepare and serve refreshments; they take out the games and equipment; they purchase the necessary supplies needed; and they run the bi-weekly bingo and movies. They also support members who are in distress; visit those that are ill; and console the families of those who have lost a loved one. They are a great team.

• Alice Riker is a well-respected and well-liked lady in our community. The term "Lady" is a polite name for a woman who has earned much admiration. Because of her

limitation, she does most of her work at home. She is the pleasant voice on the phone who asks for prayers for those from our community who are in distress; the voice who helps the Reach program by notifying the drivers on who needs to be driven to a medical appointment; and the voice who informs the members of AARP Chapter 418 when it is time for them to supply the refreshments. Alice is also a greeter at her Church.

• Terry McCollum is not a member of any particular service group; however, he knows how to be of service to many throughout the town. He helps his neighbors and they rely on him because of his uncanny ability to diagnose and treat multiple problems from a car that won't start, to minor plumbing, electrical or home repair problems. Whatever the task, he always has the right tools. Terry notices when you need his help and offers without being asked. It could be to shovel your snow or keep an eye on our house while you're on vacation. Life changes, health problems develop, even the neighborhood changes, but a "Good Neighbor" like Terry will always remain a "Good Neighbor."

• Joan Spaldo is one of those senior citizens who is very thoughtful. She is a person who is always ready to give you a helping hand. She makes the time to help even if she has to rearrange her own schedule. Joan helps by shopping for you or taking you where you need to go. Joan is always cheerful. She brings you up when you're feeling down. She is one of those unique people who makes you feel important.

• Frank Saggio helps his neighbors, and even his former neighbors, when they call upon him. He is always ready to drive them to keep a doctor's appointment and then pick them up when they are finished. He also can be relied upon for trips to the drug store, bank, beauty salon, etc. A neighbor who doesn't forget you and still wants to help even if you moved a few blocks away, is a great neighbor. *Story by Peter Gallo Jr. ###*

Reflections

Starting Up Again

By Rev. Dr. Katherine Ellison
Minister Member at Large, Palisades Presbytery

The English poet, John Keats, begins his ode, "To Autumn," with these words: "Season of mists and mellow fruitfulness..." It conjures up rather a lazy time, a time of fulfillment.

That's not the way it is for the Churches of Hasbrouck Heights. Although the "Church year" officially begins on December 2, with the first Sunday of Advent, just as school is starting up again after the summer holidays, so are the Churches. "For every thing there is a season, and a time for every purpose under heaven" (Ecclesiastes 3:1). This is a busy time for clergy and those committed, involved lay people who serve so faithfully.

The two new members of the Hasbrouck Heights clergy, Father Tom Wisniewski of Corpus Christi and Pastor Iraida Ruiz de Porras of the First United Methodist, are settling into their new jobs. Church school is back in full swing. Those choirs that "took off" for the summer are back in rehearsal and lending their talents to help make worship a special experience.

Planning for annual fund raising events is well under way. Already, **The Gazette Newspaper** has been publishing notices of meals, bazaars, rummage sales and the like. Concerts are being scheduled, and even events for Halloween. Some are starting to think ahead to Advent and (*can it be?*) Christmas.

We here in Heights are especially lucky in our ecumenical clergy group. Those who are able meet once a month for fellowship, sharing and planning ecumenical events.

These have included the Crop Walk, a Thanksgiving service, an Epiphany Walk and a Good Friday service. Despite our differences in background, theology and worship styles we respect and care for one another. How wonderful it would be if all of God's children could have what we have.

Yes, it is a busy time, and it is easy to get caught up in the minutiae of planning and organizing. At times such as these, it is especially important to set aside time to "Be still, and know that I am God" (Psalm 46:10).

Now, don't give me the line, "I don't have time for regular Bible study, medita-

tion and prayer." The "dust bunnies" will wait. (*Certainly, mine do, and haven't yet grown into "dust rhinos."*) Just as regular physical exercise is vital for the health of our bodies, so, too, regular spiritual exercise is vital for the health of our souls and minds.

So, sisters and brothers, switch into high gear. Clean out your basement or attic for the bazaar, sell those tickets and plan to help with the various chores around your Church.

But in your busyness, remember to renew your faith and understanding, cast your burdens upon God, and give glory for all that has been given you. ###

Blessing of The Animals

St. John's will be having Blessing of the Animals on Sunday, October 7th at the 10 a.m. service.

Everyone is invited to bring your critters to be blessed during the liturgy. St. John's invites our neighbors and friends to participate.

This year items will be collected to be given to the Bergen County Animal Shelter.

Items being collected are old sheets, towels, and blankets and "special treats" for the dogs and cats living at the shelter. The county provides food for the animals but not treats such as dog biscuits and animal toys. If you wish to donate dog food, please bring canned Pedigree food.

Please join us as we celebrate our animals and the love and companionship they bring to us!! ###

Kiwanis Club Holds Open House

All are invited to an Open House to learn more about the club. The get together will be held on Wednesday, October 17th at 7:00 p.m. at the Hasbrouck Heights Public Library's Conference Room.

The speaker will be Doctor Zach Orden who will be talking about Diabetes and he and his daughter Michelle's recent participation in the Diabetes Awareness Bicycle Marathon.

Kiwanis is a global organi-

zation of volunteers dedicated to changing the world one child and one community at a time. Both men and women are welcome.

All funds raised via their Pancake Breakfast, Golf Outing with the Lions Club, and their Theatre Party are given back to the community. The club gives out three Scholarships each year; they sponsor two Key Clubs and a Little League team; they contribute to the Student Loan Fund; they donate Easter gift cards and Christmas gifts to the needy and do much more. This is their second year helping youngsters via Project Lifesaver and their 13th year as sponsors of The Rainbow Fund for developmentally disabled youngsters.

For further information, please call 201-288-0562. ###

CROP WALK

The entire community is invited to attend this year's CROP WALK on Sunday, October 28th, beginning at 2:00 p.m. at Corpus Christi Church and concluding at the First Reformed Church (*Washington & Burton*).

The 2.4 mile route will be along Burton & Oak Grove. Refreshments will be served.

CROP WALK will raise funds to change the world in real and measurable ways; digging wells to bring clean water to villages; providing seeds, tools and simple irrigation techniques, helping families and communities rebuild from disasters like tsunami, the earthquake in Pakistan, and the Gulf Coast hurricanes.

CROP WALK funds will benefit the overall work and ministry of Church World Service- working in some 80 countries to help those in need help themselves through refugee assistance, self-help development programs, advocacy and disaster relief. And, it's important to note that 25 percent of what we raise will help local agencies in their important work here in Hasbrouck Heights.

Come CROP WALK with us! Together -with your family, group or congregation - we can walk to change the world, one step at a time.

For more information call Joe at 201-462-0220 or Pastor Smith at 201-288-1122. Email: support@hccropwalk.com

*Spend a
 Weekend of
 Prayerful
 Reflection*

Christus Rex Catholic men's silent retreat is scheduled for the weekend of October 19-21 at the Jesuit Loyola Retreat House in Morristown, NJ.

Here is an excellent opportunity for self-examination and spiritual contemplation within the framework of prayer. Here you can step back and put things in focus. Get in touch with what is really important in your life.

Retreat house details at: www.loyola.org. Call 201-288-8656 for more information. Free will offering.

You owe it to yourself to attend at least one silent retreat in your lifetime.

**Holy Trinity Lutheran Church
 Presents Fall Concert Series**

Holy Trinity Lutheran Church announced their fall season concert series. Concerts are free and open to the public (*but donations gladly accepted*).

As an opener on Friday, October 12 at 7:30 p.m., Ed Taylor, co-leading his band, "Groove Apparatus" will perform music from their new CD, "The Mists of Distant Time" as well as John Coltrane's massive "Love Supreme Suite," considered one of the most consequential and spiritual works.

The Groove Apparatus band is Steve Swanson on bass, Scott Robert Avidon on saxophone, Jim Ridl on piano and Ed Taylor on drums.

On Friday, October 26 at 7:30 p.m., Franz Liszt's Totentanz or Dance Macabre will

take center stage in a rendition for piano solo from Omaldo Perez.

Pianist Ulerio will return as a guest artist to present Paul Shoenfeld's electrifying "Boogie for Two Pianists."

"A Darker Shade of Piano" will be an evening of classical piano music with mysterious overtones.

Judy Garland is one of the most iconic figures in American culture and her voice has moved millions over the decades.

On Friday, November 9th at 7:30 p.m., singer Sonia Perez will bring the spotlight on Judy's artistic prowess and present some of her best-known songs with "Just Judy: A Musical Tribute to Judy Garland." ###

**Assumption
 Communion
 Breakfast**

The Rosary Altar Society of the Assumption Church in Wood-Ridge has scheduled its Annual Communion Breakfast. It will be held at The Fiesta on Sunday, October 7th immediately following the 9:30 Mass. Father Robert Norton, a Priest formerly at Assumption, will be the Guest Speaker at the breakfast.

The donation is \$16.00. For more information or to purchase a ticket contact Laura at 201-935-0359 or Ronnie at 201-288-1755. ###

**Assumption
 Ministry Fair**

Assumption Church in Wood-Ridge has scheduled a Ministry Fair for the weekend of October 13th and 14th. The fair will be held in the Fr. Patrick Morris Hall after each Mass. The hall is located in the basement of the Church.

A Ministry Fair is like a job fair, instead of employers you have church ministries seeking new members. The aim of the fair, is to expose parishioners to the wide variety of ministries available at Assumption Church. Ministry tables will be staffed with informed lay ministers who are ready to answer questions and give out brochures. ###

**CC Rosary
 Society News**

The Rosary Society of Corpus Christi Church in Hasbrouck Heights will hold their Annual Communion Breakfast on Sunday, October 7 at The Fiesta following 9 a.m. Mass. The Guest Speaker is Rev. Joseph Kukura. The donation is \$16. Non-members are cordially invited. Contact Chairperson Dee Sullivan at 201-288-7415.

Fall General Meetings are Thursday, October 11 (*induction of new members and Guest Speaker Deacon Vincent DeFedele, who will report on his recent medical mission to Peru*) and Thursday, November 8 (*Guest Speaker Cathy Ambrose of Tomorrow's Children at HUMC*).

Mark your calendars! Wednesday, December 12, is our Annual Christmas Party at The Graycliff in Moonachie.

To join the Society, come to a General Meeting or call Membership Chairperson Dee Sullivan at 201-288-7415 for further information. ###

93rd Annual Devotion to St. Joseph -- Festival

Approximately 25,000 attended the Labor Day Weekend 93rd St. Joseph Festival, which opened August 31st at 6 p.m., with rides, games, entertainment, super 50-50 with a \$10,000 winner, and the "Best Italian Food." This annual program benefits the St. Joseph Church operating fund.

On September 1st, 2nd and 3rd, starting at 9 a.m., there were Processions by the St. Joseph Society with Italian Feast Band -- throughout Lodi and surrounding towns.

The Band was the Tony Neglia Band of Local 248 Musicians Union, Paterson, NJ. They have been playing this Festival for over 50 years.

The Band formed up at St. Joseph Church at 9 a.m. and played the "Star Spangled Banner" and the "Italian National Anthem."

Society members and The Band split into three groups and held Processions starting at various points in Lodi, covering a majority of the streets in Lodi and surrounding towns such as Garfield and Hasbrouck Heights.

Each group went out with a "stenardo" (banner) of Saint Joseph. Each door bell at every house was rung and the band would play favorite songs such as "Mamma," "Oh Marie," "Santa Lucia," etc.

The highlight of the Feast is a Solemn Procession of St. Joseph throughout Lodi on Labor Day at 3 p.m.

Society members took the Statue of St. Joseph from the Church and set it on the float. They decorated the St. Joseph statue with blue ribbons and flowers. Seven children, who made their First Communion this year, rode on the float. The float also held a Society member who would accept donations and pin them to the blue ribbon.

Originally, the stand which supports the statue was supported by long poles and carried on the shoulders by the Society. It was converted into a float in the '30's.

The procession was led by the Lodi Police Department, a color guard, St. Joseph Society members, St. Anthony Society, San Pio Prayer Group, Sacred Heart of Jesus Society (all from Garfield) and Immaculate Conception Society from Lodi,

altar boys and clergy; the St. Joseph Float was followed by over 100 laity, at times saying The Rosary. In the past, some women would make this devotion barefoot.

Traditionally, during the Procession, two homes at Arnot and at Charles, set out refreshments.

Upon the completion of the Procession, the statue was returned to St. Joseph Church, and there was a Benediction.

For the past 93 years, this Festival has been a parish affair. The food court, games and raffles are organized and operated by the parishioners, with all of the profits donated to the Church.

These booths have been family operated for generations. For example, the Palumbo/Esposito Families have about 30 members who work the sausage sandwich booth. Charles Palumbo started this family tradition when he was 14 years old, when the Festival began.

There are a few outside vendors and the amusements are contracted. ###

St. Joseph Society

The St. Joseph Society was founded on December 7th, 1915 by Italian immigrants from various towns in Sicily devoted to St. Joseph.

Their mission was to have a place of worship in honor of their patron saint to be located in Lodi, New Jersey.

The founding fathers worked together to help build the first St. Joseph Church in 1917.

Each member took out a personal loan to help contribute financially and did the actual work in building the first St. Joseph Church.

Labor Day is a national holiday here in the United States. The Society decided that what better holiday to celebrate the life of St. Joseph since he was a laborer. So, the idea was born to host a Feast in honor of St. Joseph during Labor Day Weekend.

The Feast activities were to include rides, games, Italian food specialties and nightly entertainment.

The highlight of the Feast would be the Procession which would be held on Labor Day in the afternoon followed by a

Benediction. Ninety two years later, this is still the case. It is still a large success and well known event in Northern New Jersey.

The St. Joseph Society was once a strong group having close to 100 members during the 1940's to the 1960's.

The decision was made to hand over the majority of the Feast responsibility to the Church. Hiring the rides, games, and food would be the Church's responsibility. The entertainment would be the Society's, in addition to the tradition of collections during the Feast weekend and Procession. ###

St. Joseph Society leads the procession throughout Lodi. Area societies also join in this Procession.

Moonachie Cub Scouts Pack 2 News

The Pack has an exciting scouting year ahead as they venture into joining together with the new Chartered Organization... Moonachie First Aid and Rescue Squad.

They stated, "We truly appreciate all of the members especially Capt. Frank Smith."

Pack 2 lost their past C.O. this past May, which was VFW POST 8424. Unfortunately, they had to end their organization in Moonachie.

This year, they will have three dens led by Karen Mangino, Bonnie Finch and Joanne Giammona, with assistant leaders Terri Dippel, David Finch and Cubmaster, Joe Giammona.

Boys are in three levels this year: TIGERS, WOLVES AND BEARS. Please contact your leader if you have not yet received any schedules on meeting dates and times.

Check out the new website at freewebs.com/moonachie-cubs; there you will find all new and updated events. ###

The King and I

The Kiwanis Club of Hasbrouck Heights/Teterboro is sponsoring a night at the Bergen County Playhouse in Oradell, NJ on October 13, 2007 for a presentation of "The King and I." This musical won five Tony Awards in 1952, became a movie in 1956 and features the music of Rodgers and Hammerstein.

To celebrate their 55 years of community service, the Kiwanis Club has reserved 50 tickets for the evening performance. Tickets are \$22 each. Call Joanne at 201-288-6530 for reservations. All are welcome. ###
